***Matthew 19:6: "So they are no longer two, but one flesh. What therefore God has joined together, let not man separate".***

Let us begin with an I love you and an Our Father...

The Marriage Vow.

***The marriage vow in the Catholic Church is a Sacramental, it is a gift between only a man and a woman; this is a sacred act, a covenant between God and the couple. When the marriage vow is broken, I am here to help mend the broken vows, but first one must repent in an act of humility and become united to Me again through the Sacrament of Confession, for one cannot reunite their marriage covenant without absolution of the mortal sin.*** There are stipulations in this marriage covenant that one must keep in order for the covenant/commitment to be kept intact through God. My children you are living in the times worse than Sodom and Gomorrah – I am referring to the sins of the flesh, and the lustful desires of the heart, men and women both commit these sins of the flesh. ***You must understand marriage is sacred and your true covenant comes from your yes from the heart. I am your God, the Creator, Redeemer and Sanctifier, the One who brings forth this covenant. It is a rite that is given from My heart to yours in this act of marriage and becomes a covenant by your yes to your spouse, both are bound to Me your God, We become One.*** The Father in heaven has allowed a man and a woman to be freed of their covenant by an act of annulment in which the covenant becomes annulled or void through My church. This My children is what I want you to know, and this is why you need to take time to discern and make the right decisions in life by counsel with your God. I will always help you make the right decisions if you come to me, to steer you towards My Will. I love you!

I will speak about the *Marriage Supper and the Lamb*, the vow between you and Me, yes, between you and the Church. I am the Living Church, I am your total consecration through the Mass, through Me each of you are united in the *Supper of the Lamb*, just like the Sacrament of Marriage has a covenant with My Church. ***When one sins by leaving the Church or commits a mortal sin the covenant needs to be mended or repaired because it is broken. The way to fix this is in an Act of Reconciliation by coming to Me and confessing your sins and upon receiving absolution you are brought back to Me and My covenant is renewed.*** I want you to know that your heart will be united to Mine in this act of coming back to Me. A man or a woman who leaves the church is like a lost sheep, but I always go in search of My lost lambs to bring them home, your home is the Catholic Church. A lamb who does not respond to My call becomes lost and then the wolves come to devour My sheep. These wolves of sin are minions of satan and there are many who do not desire to return to the fold of My Church. They will find only rest and peace within their true Shepherd – your Jesus. Remember I am with you always.

Let us begin with an I love you and an Our Father...

***Deuteronomy 16:20 Follow justice and justice alone, so that you may live and possess the land the LORD your God is giving you.***

Let Justice Be Done.

I am here My children, today I will speak on justice. ***What is Justice?*** This is the assurance that God's way of giving something a final verdict for their actions on what they have done in society by means of unlawful or evil intent. ***Do you understand that this justice can be given by man's law and God's Divine Law?*** I am referring to the outcome that will be given in determination of one's unlawful and sinful actions by your constitutional law of the land and by My Divine Law. I will prepare a lawful judgment upon each and every act of man. This is the law of Heaven that all must follow. You My children are in the lawful book of Heaven for judgement. Be not afraid and be not unaware of your sins. Know what you have done and know that each of you will be held accountable for your sinful acts. I am a just God and a God of Mercy and Love.

***Let Me begin by speaking on behalf of your laws that pertain to the Constitution and to your people who have taken the law into their own hands for they will be justly served by their acts of wrongdoing. Now is the time, your country America has been given a divine decree to place justice upon those who have obstructed your laws and conversed with other countries to compromise your law as a nation and have sold out the American people for their own GREED, AND EVIL DESIRE TO COMMENCE WITH TREASON OF THE HIGHEST LEVEL.*** I will bring justice to America, and it has begun. Do not think I have not seen this evil intent and actions. Yes, I have, and now you will see all that they have done to accept their own demise with what I call showing their true color of darkness and evil – the sun will not shine on these souls only in darkness will their souls feel the fires of hell. If they repent, they will feel the fire of purification and they will be taken to their downfall. I am showing you My children that justice will be served. This will be very soon when America falls and another greatness will arise from its ash and that is My children of the Divine Will who will bring forth this new dawn of My Will and Love, with the building of My Kingdom.

***My Mother will speak now: My children it is I your Mother Mary and I desire to speak on this truth of purifying your country. We, My children will bring forth God's kingdom. We will set this great act of His Will upon the hearts of all mankind by our example of living in the Divine Will. I will lead you to the pinnacle of God's Will and together by our acts of love we will conquer all evil and My Son will rise in His Eucharistic Reign and My heart will be united with all mankind. I your Mother am with you always.***

***My Children America will fall but will rise again in the midst of its destruction and become a city on a hill – a city of My Love, My Faith, always in My Will. Believe and know that I am with you always.***

***Luke 12:34 "For where your treasure is, there your heart will be also."***

Now is the time.

My children I am here it is I Jesus. ***We will begin with an I love you and an Our Father***...then you will complete the task of love for the Father today. We will always place ourselves with love before the Father, He is God the Creator all with loving care.

Prepare My children for now is the time that I will begin to manifest My love to you and through you in the Divine Will, so all your acts will be done for love of the Father and all mankind. We will do this together. ***The world is about to change direction, this will cause a catastrophic event in the earth's alignment and climate, for you will see a "shift" in the atmosphere that will cause damage to many living things and physical change will occur from this event. No one will be spared, all will feel and witness this event, and mankind must participate in this change by giving themselves to God. All must happen in order for transformation to take place – the earth will change and the people will have to adjust in order to survive.*** I will allow this because mankind cannot continue to live a life of sin. We, you and all of heaven are ready to make this world a better place and it will be by God's hand of mercy, and the earth will be purified. The stench of evil is unbearable for mankind, for no one can survive without the grace of God. You will be pleading for mercy, and I will give you mercy, because My Will is for all My children to ask and plead for mercy. The Divine Will will reign, and I will prepare those who desire My Will.

The church will be made new again and all will be revealed. You will see that My Catholic church will be made whole once more and all I asked to bring forth will be brought forth, for nothing can stop this great transformation. I am coming My children making all things new, for man will not uproot My plans and I will crush the enemy. Those who come against the Father come against Me. ***Please, take your faith seriously and always live each day as your last, for no one can be brought to faith if they have none. There is great importance in what you have been given "the Catholic Faith" for this is like a treasure, do not take this for granted, it is of great wealth, and I want you to share this wealth with others, so they may be rich as well. This richness of faith will never lose its value; it will only increase if one cares for it and keeps it safe – by keeping it within your heart. I will pour out all grace for you in your faith.*** Now is the time, for you to be obedient living the faith for Me. I am with you always.

***Genesis 3:15 "I will put enmity between you and the woman, and between your offspring and hers; They will strike at your head, while you strike at their heel."***

Let us begin with an I love you and an Our Father...

The Roche.

It is I Jesus Your Crucified King, My children We will begin today with a teaching on the Rosary, its beginnings and the future of its promotion. You remember My saint Dominic of the Dominican Priory who was faithful in the promotion of My Mother and Her prayers, especially the Rosary. There was a

time when everyone prayed the Rosary – many – many Catholics. Now you see this is in great decline because of sin in society today. ***My son Blessed Alan de la Roche was one who brought this great devotion alive again by forming a confraternity for the holy Rosary during a time when the Rosary became stagnant in society. He helped many come back to honor My Mother by this great devotion. Blessed Alan de La Roche is an example for this generation. I want My children to exemplify this man, so you may be prepared for what is on the horizon.***

Marriage and family are on the decline and Islam is on the rise, because satan has influenced and brain washed much of society. Yes, this generation must prepare, be obedient and dedicated to My Mother, She is your answer to many of your problems. ***I am always attentive to My Mother for whoever or whatever She brings Me I do not refuse, for in every situation there is an answer for Her. No situation is refused. Place your life in Her hands and all will be cared for with love.*** My blessed Alan de la Roche started a confraternity because I asked him and this eventually spread to many churches and dioceses throughout the world.

Now I want My children to devote themselves to the Rosary and also spreading this devotion to all people, for this is your weapon against satan and all evil. I will conquer evil by the Rosary, for "***I have put enmity between the snake and the woman" (Genesis 3:15)***. This will establish My reign as King, and We will live united as one in the Divine Will. My Mother is the leading force for this victory. Please start your preparations and be attentive as My Mother by acting in My Will. The Rosary will defend My people and defeat satan. I am with you always.

***Joel 2:25 I will restore to you the years that the swarming locust has eaten, the hopper, the destroyer, and the cutter, my great army, which I sent among you.***

Let us begin with an I love you and an Our Father...

Red, White and Blue I Love You.

I will speak of a country founded on My love. You have been told in the past of your American flag and its spiritual meaning, referring to its colors and the representation of the stars and stripes. Let Me refresh your memory.

***The red, white and blue of your flag has significance. The stripes of red and white represents the blood and water flowing from My heart, as the vision I gave to St. Faustina in My Divine Mercy. The blue signifies My Mother and within this blue are the stars representing each state – all within Her mantle – keeping all of America in Her care. This My children is a representation of the great care I have for the land of America, for I saved the best for last.*** There are many people from around the world that make up this beautiful landscape of America who are wanting a better life living under Christian values, but there are evil and corrupt people that have changed this landscape. A cleansing is coming to America and all who are in service to Me will be taken care of by heaven's aid. Keep vigil for the war to take over America is raging.

The founding fathers were given My law – Christian law – a law based on God's Commandments and were interwoven into your Constitution with its representation of God the Creator and mankind. ***You have been poisoned over the years with a false ideology representing self and only self as supreme god to control your values and manipulate others with your wrongs. I am here to tell you that you will never achieve anything like the founding fathers achieved on your own, only because they had God guiding them. They had a true sense of serving God and serving mankind through the eyes of God with true values of a Christian nation. A self-ideology will destroy the person, and I am here to tell you that hell is real for those who do not believe and your actions have consequences. A time is coming when mankind will see their self-actions and accountability will be held at the highest standards according to God's law. Your perception of God will soon be revealed for all to see, no more will man doubt the existence of God, but will have to choose either God or satan – this My children comes as reality very soon. Prepare and act accordingly in the presence of a priest for Confession – repent. If one is not able to have a priest get on your knees and accept Me as your Lord and Savior in an act of repentance. I am ready to make Myself known, but I wait on the Father.***

The warriors of faith continue your prayers for this great nation and those who are willing to sacrifice their life for another in love I will accept; you will have a place with Me in Heaven. Do not be deceived by your church, government and fellow Americans because there are evil doers amongst the ranks of the people. Pray, discern and keep acting in My Will for the reign of My Divine Will to come. Be brave, for America will fall before it can be raised out of the ashes and made new, for We will accomplish this great act of becoming One Nation Under God once more. I am with you always.
