Psalm 51:12 A clean heart create for me, God; renew within me a steadfast spirit.

Children, the morning hours bring Me great joy when a soul is willing to come to Me with an open heart. Your heart is the place where I communicate with the soul. One must have a clean heart in order to hear Me speak. Place yourself in My Will so your heart may be one with Mine. ***Children do you hear Me calling you?*** I am waiting for each one of you. Please respond to My call, I ask you to be vigilant and prepare to be open to My Will. I want to use each one of you in preparing the Kingdom, for today children is another day closer to the coming of My Kingdom.

What have you done to prepare for the coming of the Kingdom? Your acts in My Will are important and should be a priority in your daily life and in the lives of those whom you wish to receive salvation. Be not afraid to speak and act in My Will. This transformation I am creating in your world is through all of your acts in the Divine Will. ***I need you to continue and be very attentive to My Will. This is an important time in history, for it is this generation – you My children and all My Divine Will children need to understand that being attentive is being ready and willing to serve. This means more acceptance of being one with Me in My Divine Will. *You will learn the rounds, pray the rounds and become a continuous act of creation in these rounds for all humanity, to recreate the beginning to the end, this means a continuous work in making all things new again.***

Read Luisa's writings, study them and pray for Luisa's writings to come alive within you, so you will become this little newborn that I created in Luisa. No man can be without, for I come to renew the earth. Be little in My eyes and you will become the Sons and Daughters of My Will. This apostolate must strive to become little Christs through the heart of My Mother, for She will give you the life of My Divine Will and show you the true oneness we are together. Be little, be brave and be always within My Will through the gift I have given you, My Mother Mary.

I am with you always...Jesus Your Crucified King. †

***The definition** of a round from the Pious Association of Luisa Piccarreta - Little Children of the Divine Will. A round is an exchange of life, which is amplified and nourished with the life of the supreme fiat. To give back to God, the glory, which is due to Him. To place oneself in relation, with the attributes of God, which are spread throughout the creation and to infiltrate the kingdom of the supreme fiat upon earth.

***A sample** of a round: My Lord, Jesus, the Eternal King, in my nothingness, in the DIVINE WILL and in the Name of the whole human family from the first to the last man of the future generations, I come before Your Real Presence in the Most Blessed Sacrament of the Altar, to Adore You Profoundly. (Cf. *Book of Heaven, Vol, 12, Jan 09, 1920*). (Cf. *Book of Heaven, Vol, 12, Jan 09, 1920*).

Psalm 25:9 He guides the humble in righteousness and teaches the humble his way.

This day child the early morning comes to you and to all My children in My Will. Pray to Me children for the answers you seek in daily life, I listen with a heart full of love and pure intention. My intellect and spirit are as one I am your God. This morning represents a new beginning in each one's life for you have awakened to another day to serve. ***How will you choose to serve Me? Are you waiting for a miracle or spiritual encounter? Or are you humbled by My daily presence in your life?*** The answer should be the act of a humble heart, one who wishes to truly serve the Lord, one capable of spreading My love and joy to the hearts of others.

Listen children, My acts done in the Divine Will of God can and should be repeated by each one of you. You need to meditate and contemplate on the mysteries of the Rosary while praying, and these acts in the Rosary will become the rounds of daily life in your prayers. The meditations of the Rosary will come alive within you by your YES in My Will. My little ones, the gift of My Mother I ask for all of you to treasure, She will bring you into perfect union with Me. This is what I desire for all My children to walk in My Will. Do not be discouraged for all My children are called to become children of the Divine Will.

I am with you always...Jesus Your Crucified King †

John 1:14 And the Word became flesh and dwelt among us, full of grace and truth; we have beheld his glory, glory as of the only Son from the Father.

Today children I give you My Love, I am with each one of you in a special way. You are My chosen ones of the Divine Will. Be at peace knowing God's Will is being manifested through you. Do not hesitate to ask for the grace of My Will to be awakened within those around you. Be the light of My Will for others to see, so they can ask for My Will as well. Children, the church has been failing to provide for My children, for the Catholic church is considered the oldest faith institution in the world and through the ages it has become one of the richest as well. ***Do you consider wealth as a spiritual value?*** No, spiritual value should be for one's salvation, not money or wealth. The church has lost its way by not providing spiritual growth in teaching the proper faith formation for My children. This will soon be rectified, as My church is going through a cleansing and its purification. I do not see wealth of man as an important value. I only see the soul of man as an important factor. Every soul that God creates needs to be reconciled with God to receive eternal salvation. I came to redeem the world and lift high the cross for the salvation of mankind, not to provide wealth for My church.

You see the materialism of the world has replaced My presence in the church. ***I am there yes, My true presence of My body, blood, soul and divinity in the Eucharist is the true source of being present with you, not the physical aesthetics or ornate decorum of the church. I am present in the littlest of things with humility.*** Do not think I have come to tell you only about the wealth of the church, ***for I have come to proclaim My kingdom and My presence within you. When you do all your acts within My Divine Will we are one, we are united and our presence on earth becomes the presence to all humanity in the Divine Will. Trust My children now is the time for My Divine Will to reign within you and become the true presence on earth. Act in My Will and you will become the real presence of Me, one body, one blood, a continuous act for all humanity, the true substance in human form within My Holy and Divine Will.***

I am with you always...Jesus Your Crucified King †

You have begun this work in Christ now you must continue it in My Will. Children of the Divine Will I am with you, be at peace in My Love and act according to My Will. Your days children have grown short, and the time has been speeded up for you have now entered into a time of depression and struggles. This will continue for humanity until I lift your trials and enlighten the hearts and minds of many to come and enter My Will. The fathers of this nation must stand for their God given rights and begin to respect the family life. They must not be put to the test by man, they must fight for the truth – their freedoms – this is how you defeat your dictators and will overcome your tyrannical laws. ***Pray for the men of this country that they become open to the freedoms that God has given them, that they humble themselves before their Creator and repent. This will open their hearts to My redeeming grace and will bring about My Will for this country. Believe My children and pray in the***

Divine Will for your fellow countrymen to return to their allegiance to God, the Creator, Redeemer and Sanctifier waits for this act of allegiance. This act will bring about the conversion of many and start a revolutionary phase of Divine Providence through the Heart of My Mother, the Immaculate One.

The doors of the Kingdom have been opened, who will enter? Those in My Will. Prepare My children of the Divine Will with your rounds and your acts in the Divine Will, for you can move mountains with these divine acts because you are doing these rounds and acts with Me. I will instruct you further in the weeks and months ahead. Believe and know that I am with you always in the Divine Will.
