Psalm 143:8 In the morning let me hear of your mercy, for in you I trust. Show me the path I should walk, for I entrust my life to you.

This morning I say believe and trust in My provision, I am with you in a very special way. Today child I bring you into My heart knowing your love for Me is great.

This morning be at peace My children knowing your God is with you. TRUST My children is the key to be united to Me and to be open to My Will. I will provide for each one of you. As I speak to you this morning, I see that many of My children are confused about My church and the world. You need to TRUST ME. It seems as everything is out of the ordinary and everything is passing by quickly, looking around you notice that evil and sin is everywhere. ***Did you not believe the words of Fatima? Did My Mother not tell you the outcome of no prayer and no respect for God? This My children is the result. Do not think that I do not know what is going on around you, for many are in need of prayer. Continue your rounds in Divine Will for humanity and I will help and purify mankind, for children this is the answer. You may not know what tomorrow brings but know that by trusting Me is the soul who walks with God.*** The prophecies of Fatima are being fulfilled and much has been mitigated as a result of prayer, fast and repentance, turning back to God and making amends with one another. Prophecy will be fulfilled, but in My time and in My way. You will not know when, where or how, so TRUST and all will be in My Will.

I am with you always...Jesus Your Crucified King. †

Friday, September 8, 2023 – Nativity of the Blessed Virgin Mary

Luke 12:32 Do not be afraid any longer, little flock, for your Father is pleased to give you the kingdom.

I am with you children, please believe and listen to My words. My family the **Sons and Daughters of the Lamb** are My children in My Divine Will. They are all giving Me their Yes, desiring to live in My Will. This is the example I wish for all of you to follow. Prepare and establish within yourselves the acts of the Divine Will according to these children in My Divine Will. They have sacrificed much to become what I have called them to be – a son and daughter in My Will. ***Please be assured I am speaking to all My children – you are all special in My eyes and are all called to this work of My Will. I have established this community of love to be a witness to My truth and to live a life within My Divine Will, all for the coming of the Kingdom. To be established in this community one must follow the 9 Directives from Heaven given by My Mother, living according to the teachings of the Catholic faith and to be attentive to My Will with your acts in the Divine Will. I have given you this great source of My Will – Luisa the little daughter of My Divine Will to follow her example and to be molded into this little newborn – becoming one with Me.***

Choose My children the right path and follow your faith and it will lead you to My Truth. Be attentive to My Will and all will be given to establish this community of love within you and within the world. Please be advised that the gift of My Mercy I give to all My children who repent and obtain My Truth and begin this walk of faith with Me as you enter into the Divine Will. I am here for you and I will never leave you, My Mercy is endless and I have given you this gift to become one with Me here and now. So, children become one with Me and follow My Will to become Sons and Daughters of the Lamb for all to follow. This is My decree to establish all into one and become My flesh upon the earth within each one of My

children. Pray, discern and seek My Will, for I will always be with you and live in My Will till the end. **Do not forget to establish your presence in the heart of My Mother who brought Me into the world through Her Yes by the hand of My Father. She is the example of My True presence and will continue Her role as one with Me. The fathers of the church have taught you well, continue to follow the church fathers and walk with Me in the Divine Will. I love you.**

I am with you always...Jesus Your Crucified King. †

My daughter I am here for you it is I Jesus, I love you, believe I am with you, no fear child all is in My hands. Now My words for My Children...

I believe, I adore, I love you...these words My children come from the heart when you pray, they come from your heart to Mine. Be not afraid to listen to your heart and be open up to Me My children and I will pour out My love making you new in Me, We will become One. I am here for each one of you. Do not be afraid to speak My words and listen to those who are in need of being listened to. You will be of great assistance to Me and to those who need Me through your love and compassion. My children be compassionate to your neighbor, love them by your actions and love them in My Will. You see so many children have been displaced, misguided and unloved. If you wish to follow Me you must be open to My Will with compassion and love. Be grateful that you have been given this, for I am a God of compassion and love. Do not be afraid to show My presence within you, We are One.

Now these times that you are living in will become darker, but My light in My Will will sustain you. This light will be illuminated in each of you who walk in My Will. THE DIVINE WILL IS THE PATH TO THE ILLUMINATION TO THE SOUL AND WILL BRING ABOUT REDEMPTION TO MANKIND – IT IS MY FATHER’S HAND OF CREATION THAT HAS BROUGHT FORTH THIS DIVINE WILL AND THROUGH HIS SON, I WILL REDEEM THE WORLD – MANIFESTING SANCTIFICATION IN THE DIVINE WILL. You My children continue your walk in My Will. Pray to Me for your continued purification in the Divine Will. I love you, My children. Remember in you I walk, in you I pray and through you comes My Love and compassion to others in My Divine Will.

I am with you always...Jesus Your Crucified King. †

1 John 4:12 No one has ever seen God. Yet, if we love one another, God remains in us, and his love is brought to perfection in us.

I am here children it is I Jesus, believe that I have come to redeem the world. Your thoughts, words and acts can be given to Me in the Divine Will, just say YES and believe I am with you. Do not fear the coming days, for I have a plan for each one of you, yes, a plan that My Father has willed for America – this plan will establish My love on earth, this plan will bring your country back from destruction. **Be not afraid to open your hearts and love, be what I have created you to be, and that is love. This love comes from the heart and a soul full of love is a soul in My Will.** Acts full of love will penetrate the most hardened of hearts because you have Me within this love – We are One in love and this love is needed now more than ever, because this love will bring forth My Kingdom.

You see children, the Kingdom of God has been established in heaven and now the Father is ready to bring into being His Kingdom on earth in the Divine Will. All of your acts are done with Me, in Me and through Me when you are faithful to My Will. ***How much more can a soul have if these acts are done with love? Love is what a soul needs to accomplish My Will and bring forth the Kingdom.*** The writings of Luisa are a great gift to all of you with importance for they are creating the Kingdom through the words I have given Luisa My Little One of the Divine Will who manifested My Will with her continued YES. This My children is what I am asking each one of you.

Begin each day with I love you, I praise you and I glorify you! These words of prayer My children will be brought forth to the heavens and My Will will form each of you into My love. I am here for you and I have always treasured MY COUNTRY AMERICA and I will not let it fall. You My people of America have turned your hearts back to Me and I have heard your cry. Do not think I have abandoned you, for I have not. All is in My hands, and you are in My heart. Remember to love all who you encounter, and this will manifest My Will to humanity, for one cannot save something that is lost unless it acts with love. Your heart is to be a beacon of love, always lighting the way with an I love you in My Will. Please, guide humanity into the arms of My Mercy where My Father is waiting to embrace all His lost children and bring them into His love. The fullness of My Love is Mercy and pray for the light of My Will with an act of love. I am with you always...Jesus Your Crucified King †

September 29, 2023, Friday – Feast the Archangels

Hebrews 1:14 “Are not all angels ministering spirits sent to serve those who will inherit salvation?”

I am with you children on the feast of My holy angels, We have come to bring tidings of joy, peace and love. I come with the angels to say that We love you. Mankind is in need our help and We bring you aid with our pure love to assist you further in your walk of faith.

Now children My Mother Mary brings the angels to earth to assist mankind helping Her children in their daily lives. Each angel carries many graces to the souls who She wishes to assist. These angels are light beings that are at Her disposal from Heaven. The angels are granted grace to give to the children of the earth – all of you. Most angels that are sent are amongst you and unbeknownst to you, while aiding you directly, they are heavenly beings.

The gifts I have given humanity are many one being free will. You all have this gift, but My Will takes precedence over your wills and My great gift to you is that you receive My Will to interact with the coming of the Kingdom here on earth, My Kingdom come, My Will be done. This gift of My Will is total abandonment, giving your will to Me so I may form you by your yes to become Christ-like. ***These angels that I have sent to assist mankind in the transformation of becoming One with Me are called the angels of My Will. Call on them and allow each one of them to lead you on the path of holiness in My Will. These specific angels have been given the task of bringing souls into My Holy and Divine Will – your acts united to God and fusing all humanity into these acts allows you to receive My Will and become a son and daughter of My Will. This will suffice and allow grace to penetrate your hearts, so My Will will dwell within you. Do not be afraid to call on these angels of My Will – their angelic presence brings Me great joy and their pure love echoes from My Heart to yours. No fear children trust.***

You will be needing angels for assistance, call on them and they will bring many graces so My Will will overflow from within you. Since you have not heard of this before, I say believe and know this to be true. Every act and

every encounter written in the Bible was written with the aid of the angels. My children your thoughts and inspirations come from the angels and when a soul is united to Me, they become one with the angels, meaning your holiness becomes angelic and your acts are lifted to the Heavens as on wings of the angels. Please believe and call on these angels of My Will.

I am with you always...Jesus Your Crucified King†
