Matthew 13:24 The kingdom of heaven may be likened to a man who sowed good seed in his field.

This morning children I will teach you about My Will in the act of creation. I was in the tomb for three days and rose from the dead, there outside the tomb I began to work preparing the ground by breaking up the soil and tilling the earth. In this act children I began cultivating the earth, making the soil ready to be nourished with My Will. Each act I did was to prepare and ready the soil to plant the seeds of My Will to bring about glory to the Father for His Kingdom to be birthed upon the earth. **You see children, the act of My resurrection was to prepare humanity for the coming of the Kingdom. In God's act of creation, one must be brought forth in His Will to be accompanied by the Spirit and brought into the world to become part of His Kingdom – the earth needs My hands to cultivate it and prepare it with seeds of faith, hope and love, tilling the ground in My Will to make all things new again in preparation for the coming of the Kingdom of the Divine Will.**

My presence on earth was the start of the preparation for the Kingdom and the birth of redemption for mankind. I AM THE REDEEMER, THE ONE TRUE GOD who brought forth the Kingdom of My Will to be the guiding light for all humanity. Do not think that this act is just one time in humanity, no it is not, it is an act that reverberates throughout all generations. This My children is the coming of the Kingdom of the Will of God.

Psalms 56:3-4 When I am afraid, I put my trust in you. In God, whose word I praise, in God I trust; I am not afraid; what can flesh do to me?

I am with you children – DO NOT FEAR the coming days, for all will be done in My Will. You must understand that things need to be done according to My Will purifying the earth. The prevalence of evil in society stems from the evil of satan and his minions, for they shall be crushed. The heel of My Mother will crush the head of the serpent – satan will be cast into hell and mankind will once again truly serve God. I say again, do not fear for fear brings doubt and lack of Trust. My children you must Trust just as the saints during their trials, persecutions and sufferings. They overcame all things with My grace, believing in My Will and carrying in their hearts a great love for Me. Man's lack of trust in Me is a life without living for Me and only living for himself and trusting in the world. ***A child trusts in his mother to care for him and protect him. If this child becomes lost, what does he do? The child looks for his mother trusting that she is right there waiting for him. And yes, My children I am waiting for each of you, for if you are lost or in despair do not seek the world, seek the light of My Will. You must trust that I am with you always.***

Now your church – the family I have given you is your spiritual family; a family of love for God and each other. The Sons and Daughter of the Lamb are a special family that I have united to witness the truth of My Will. This family will be sustained during the split of the church. The Catholic hierarchy has been undermined by a socialistic movement that will rock the foundation of My church, but this foundation will not be destroyed. ***I AM THE CORNERSTONE of the church with the apostles, and prophets, and the children of My Will who are the***

***foundation. Nothing will destroy this foundation of My church, for it is built in My Will. You must believe, you must Trust and live your lives in My Divine Will. Have faith in this gift I have given My little Luisa – for it is truly a great gift from God for all eternity. Be more attentive and study Luisa’s writings, call upon her for assistance, for she will aid you in My Will.

Ecclesiastes 3:1 & 15 There is an appointed time for everything, and a time for every affair under the heavens... I recognized that whatever God does will endure forever; there is no adding to it or taking from it. Thus has God done that he may be revered.

Now is the time children for all to begin, the cleansing, the purging and purifying; I AM WITH YOU in this and thru this. Be not afraid for I know what is best for My children, for the Father has Willed this to be. You may not understand My children, this has been written in the Book of life, it is what calls the Renewal of the Earth – the purification of mankind. You must know in order to save humanity from destruction by sin; God Wills this purification to take place, for there is a time and season for all things.

In Deuteronomy 6, God the Father laid down on stone the laws of His Commandments to Moses for His people. ***What have you done to God’s law?*** Humanity has not been obedient to His commands, and you have become a world without God. ***If you do not obey God’s commands, how can you say that you believe in God?*** My children all must come to know their Creator and all must be obedient to the Father who is the Creator of all mankind. I tell you this so you will understand that all must be purified, all must be made new in order for mankind to flourish once more with the Lord your God. ***Do you understand My children?***

My heart is open to all, but so few recognize it. I will pour out of My heart with the purest love and radiate this love to all mankind, for this will be an indication to humanity of God’s only begotten Son whom He offered in sacrifice for all humanity. I will be giving you an act of love through this event of total purification in an act of My Will in this illumination to your souls. I will be with each individual soul as this event occurs and each one will be united to My heart at that very moment in this great act of love. You will be united to Me to see your interior self and your sins that have offended God. Now children pray and repent and act in My Will, for I am with you always...Jesus Your Crucified King †

Today children I will teach you about the fullness of My love. It was My Father who brought forth this love and love has created you to become human. I say this to remind you that you are a true living image of your Creator and that is love. ***How does one love?*** The love that was given to you was through the Father’s hands of love that created all human beings and all of creation. ***You My children are His perfect act of creation and your beating hearts are the source of His Love. I had the same heart as you in My humanity but in My divinity, I have the fullness of My Father and this is the purest form of love. My heart beats as yours but the love it contains can radiate to all humanity in one act. This act can penetrate the most hardened of hearts. You My children of the Divine Will can also penetrate the hearts of others with your continuous acts of love in My Will for we were created by one single act of love.***

*See how very much our
Father loves us, for he calls us
his children, and that is
what we are!
1 John 3:1 NLT*

Male and female were created to generate humanity. When a soul presents itself in the form of creation to inhabit the body of the human being it becomes a living image of God. In every act you do for God it glorifies the Father of Creation, for He is the true living sanctuary of love. If you present yourself in truth and act in the ways of your Creator, you will be a source of His love. My children you were created for God and for each other. When sin enters the soul, your love becomes stagnant, and sin does not allow God's love to flow and continue growth within you. This is why you need repentance and to return to your acts of love.

My heart will be open to all in a way that mankind cannot refute in My existence, and this comes soon. Prepare My children with acts of love and always remember where your source of love comes from and that is from your Creator, the Father of Love. My time here on earth was brief but My true existence has always been present for I AM ONE WITH MY FATHER AND HE IS ONE WITH ME, WE ARE ONE IN THE SPIRIT. You My children are going to experience this true presence of My love. It is My time to bring the fullness of My love to all in My Will so the Will of God will reign in all hearts. The true existence of God is about to be revealed to humanity and the world will not be able to deny My existence any longer. Watch and see the power of God, for you My children are about to be made whole in My Divine Will.

I am with you always. Jesus Your Crucified King †
