Deuteronomy 24:43 Foreigners who live in your land will gain more and more power, while you gradually lose yours.

Let us begin with an I love and an Our Father..

France will fall.

My children today France will fall, do not believe the world, believe God. I come to speak about France – this My children is where the faith once stood tall, but through the years of sin and grave error it will be left unrecognizable. I will bring it to its knees, and all will be revealed, for it has come to this that I must act. I want what is best for France and that is to chastise and be made new, for everything I chastise is made new again. This once great country who bled and fought for Me will soon fall. ***Yes, it will be taken over by their own inhabitants from foreign lands. They will destroy this land and make their own beliefs their dwelling. The Call will make itself known – yes, their Call to Prayer is Islam and their god. You will see the enemy take over and destroy the Catholic faith of France and only those of their own religion will be able to dwell in this once great country.*** I say to you believe and pray for France. I weep for France and I am asking this country to turn away from your sinful act of abandoning the True God, for it is written

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. (2 Chronicles 7:14)

My children do not reject your God, as France has done, believe and know I am with you. Trust in your God for I will lift you up and make you new again. The saints have been through the test and so will you. Pray for the people of France where much has been given much more will be expected. I am with you always.

Isaiah 65:17 See, I will create new heavens and a new earth. The former things will not be remembered, nor will they come to mind.

Let us begin with an I love you and an Our Father..

The Pulse.

Today I speak words on the pulse. What is a pulse? A seismic wave within the earth that gives off a signal. This pulse I speak of is within the depth of the earth. ***Children, do you feel the pulse within the earth?*** This pulse has been vibrating within the earth and will soon give a sign that the earth is awakening and moving, for this will bring forth seismic activity resulting in a seismic earthquake – moving the layers of the earth and disturbing the landscape. Do not fear – TRUST IN YOUR GOD, for

I am with you. ***This pulse is letting you know that the earth is alive and is going to bring great changes to the terrain and all things will be made new. I am controlling this to bring about a new earth - My kingdom to reign. Be vigilant and seek discernment in your daily lives, for you do not want to be caught off guard. The Sun, the Moon and the stars are a sign unto you that the earth is moving and evolving into a new life and the old earth will be destroyed. My children, I bring change where it is needed and this change is for the betterment of humanity. NO FEAR – TRUST IN THE LORD.***

Your transportation, cars, trains, and boats, any vehicles that are used on land or water will also be affected by the earth's movement. Take My words to heart and be cautious in your travels, for this is a time of distress, prepare wisely and be alert. I am with you always.

Psalm 24:1 The earth is the Lord's, and everything in it, the world, and all who live in it.

Let us begin with an I love you and an Our Father...

The Ring.

Today we will speak about the ring around the earth – the barrier that keeps the earth in place, it is a type of solar mechanism that the earth requires for stability, uniformity and balance for all creation. No other structure is like it and if the ring is cracked or penetrated the earth becomes unstable in its orbital rotation and great damage can occur to all living creatures that inhabit the earth. ***I want man to be aware of this, for if the earth loses its ring structure that keeps the earth stable all else can occur, unbalance can bring destruction and man cannot live safely. Your president is aware of this, and he is taking this as a serious matter. You can accomplish all things in Christ, together is better when you have Christ in control. Pray to help the earth, so I can take care of My Creation.***

The use of nuclear devices and electromagnetic wave technology can damage this outer ring. Man should not be using nuclear warfare, for the result will be deadly for all creation on the planet earth. Mega-Gamma ray weapons can also damage and destroy your planet's outer layer. The planet earth could be destroyed if man does not submit to God, the Creator and adhere to the law of God. Pray for humanity to turn back to God with love of God in their hearts, for no one should be without the love of God. I am with you always.

Zechariah 9:9 Rejoice greatly, Daughter Zion! Shout, Daughter Jerusalem! See, your king comes to you, righteous and victorious, lowly and riding on a donkey, on a colt, the foal of a donkey.

Let us begin with an I love you and an Our Father...

The Colt.

Today children I will speak on the word colt. I want to emphasize the meaning of a colt; it is a form of a living creature, a young male horse that is used for transportation. I rode into Jerusalem on a colt which symbolized My arrival as King to the Jews. This generation has many forms of transportation but My arrival into Jerusalem on a colt was prophesied in the Old Testament. This is the means God the Father chose for Me to be brought to the people, so they would see prophesy fulfilled. ***Your measure of faith is deemed important as you encounter Christ. I AM THE LIVING CHRIST on earth, and the Jews were acknowledging Me as their King as I entered the city. Today, the Jews only seek their Messiah awaiting his arrival, not believing that I have already come as it was written.***

I am speaking on this today because I want My children to realize I already came into the world as a living sacrifice for ALL HUMANITY not just for the Jewish people; even though they reject Me today I AM still their God, they just do not know it. History will repeat itself, for I will come again to reveal myself to the Jews and all people who do not believe, and at this time I will not be riding on a colt or welcomed by a crowd of people, for it will be unexpected. REMEMBER JESUS YOUR CRUCIFIED KING WILL COME TO BRING JUSTICE AND PEACE FOR ALL WHO WISH TO EMBRACE MY LOVE AND MERCY. I am bringing you close to Me and we will embrace each other with an encounter of love. Some of you will say YES and those who say NO will be left without, for those who give Me their YES will truly see Me as their true King. I am with you always.

Romans 5:8 But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.

Let us begin with an I love you and an Our Father..

Formation to Love.

Today I will speak on the formation to love. ***What does it mean to love?*** Who knows better than I your Jesus who gave everything for love of you. We come from a God who created man out of love, but man fell from this love in his sinfulness. When sin entered man the love of God diminished and not until man repented did his love for God return, for God's love is always present towards man the creature.

I will begin by telling you if one wants to be unified with another then they must become formed by God's love, and this love is when God is active and present in man's life. This means laying down all things for the other, making sacrifices even in a moment of fear or despair, putting all these things aside and offering self for the other. That is why so few people know how to truly love. One can say that love becomes an act of sacrifice when the heart is full of God being present always with acts of mercy, compassion, and understanding, for peace comes through love of the Father, and by having God present within is the key to being effective in love.

There are 3 things I want you to remember:

1. Always ask God for the grace to love – you need Me in this formation of love, for I am a loving God for all mankind.
2. One must accept the responsibility of an act of sacrificial love for the other individual, placing yourself in an act of mercy always showing your love in serving another.
3. Becoming the person the Father created you to be, a true follower of Christ – living for love of another.

These 3 things are essential - believe and know that My love for you is great. Please children, become the person in Christ the Father created you to be – feel the love He gave you in His act of creating you. Do not be less than the Father wants you to be, for you are a child of God full of love for the Father. I am with you always.
