Romans 8:29 – For those God foreknew he also predestined to be conformed to the image of his Son, that he might be the firstborn among many brothers and sisters.

Let us begin with an I love you and an Our Father..

Conform to My Will.

The simplest act of love comes from the heart in an act of abandonment, by your yes to Me. ***Do you understand?*** Those who wish to come follow Me must abandon everything to serve Me. An act of abandoning the flesh allows you to become one with Me. ***Do you desire to follow Me?*** Then lay down your life abandon your human will and accept all I have to give in the Divine Will. ***Are you ready to serve as My apostles served?*** Then prepare yourself for the battle of the Wills and accept all I have to give. You are nothing without God, man cannot do anything by self only by God's Will can you act in accordance to My Will. I can move mountains, ***"if you have faith as small as a mustard seed, you will say to this mountain, move from here to there, and it will move. Nothing will be impossible for you (Matthew 17:20);"*** and proclaim the oceans to part all by My Will.

I want conformity of your will with Mine. ***Do you understand?*** Now is the time for the movement of man to be conformed to God's Will. The battle lines are drawn, be ready for war, the spiritual battle will intensify, and man will fail on his own, that is why you need God – you need to be conformed to God's Will. ***I will place you within the heart of the Trinity – My heart – there you will be conformed to My Will – it is then that you will understand the importance of conformity. Children draw yourself away from the world and completely conform to My heart. My Mother has been drawing all Her children together for this spiritual battle, for this will be a revolution of great proportion like never seen before and man will be conformed to bring forth the reign of My Mother's Immaculate Heart. Her heart is significant in bringing the world into the conformity of My Will. I will place your heart between the hearts of My Mother and Myself and We will conform you to My Will. The heart of the Trinity will triumph in the hearts of those who are conformed to My Will. Place all your trust in Me, for I am with you always. Jesus Your Crucified King †***

Proverbs 4:23 With all vigilance guard your heart, for in it are the sources of life.

Let us begin with an I love you and an Our Father..

The Car.

What is a car? A car is used for transportation, to be able to move in a motorized vehicle that takes you to your destination. Children, your cars now are able to communicate and read your mind, it can be controlled by thought, so as to access your thinking. ***What other method can do this?*** I am referring to things that have the power to complete acts by reading your intelligence. This My children

is the scientific age you are living in, and this could be a danger to your soul. I want to emphasize that these technological things you have now in your world are capable of taking over the human conscious, causing your actions to be affected and leaving you in a very dangerous result. Be aware that advanced scientific technology can be very dangerous when you allow it to control your thoughts and actions.

You must understand that the world you are living in is controlled by evil intent driven by your free will. This is only going to get worse, for humanity needs God. You cannot live in a world where God does not exist – your thoughts and actions predicate your future without God. I your God am the only way for salvation. A human mind controlled by a machine cannot accept Me, only your true human-self a living soul can be nurtured by God, and one must denounce being controlled by technology in order to receive salvation. I am not one to be what man wants Me to be, ***I am the one true God born of the Father before all ages. I am your true God – your Father is the Creator of all*** – He comes to bring life and all true life is from God, not from man's machine. Believe children and prepare – take the time to unite your mind and heart with God not machine. There you will find true peace with God the Creator. I am with you always.

Proverbs 16:4 The Lord works out everything to its proper end—even the wicked for a day of disaster.

Let us begin with an I love you and an Our Father...

The Weather.

My peace be with you. Today we will write about the inclement weather. ***My children look around you, what do you see?*** There is a change in the weather patterns, I have discussed this with you before, and yes this is what happens when tragedy begins to manifest. We have weather change because man has changed the direction of the weather patterns. These acts of nature are not by God's hand; it is by the hand of man. I allow many things to happen according to how I see fit. ***When you have been given technology as a gift and use it for your own advantage it is then used against My Will, for this is when tragedy happens. Man uses this technology as a weapon, and this is the reason why you have these drastic weather changes. There are many people who have died as a result of these changes, I call this man's weapon of nature – these people use it as a weapon to control the atmosphere – the food chain – the land formation – and it is used to destroy human life.*** You My children are a minute substance in man's way they have the power to destroy you. I say to you that man will not stop until they achieve their goal. Their agenda has been implemented, and they are now in the process of completing their evil task. I will allow this in order for man to turn back to Me. It is because of sin that I have allowed these changes in the weather pattern to take place. I will intervene when I see that man has been chastened.

You must be preparing with some food and shelter – the weather will be unpredictable and winter is upon you. I have said these things before and if you have listened, all will be in My hands. Please prepare with what you can afford, and I will multiply and provide what is needed. KEEP THE SACRAMENTALS ON HAND and do everything with an I love you in My Will. THE HOURS OF THE PASSION will be a shield against the enemy and his evil tactics. I will reign in your heart. Be ready as

I wait for you to return and be placed in My heart – pray for those who do not know Me. I am with you always.

Matthew 7:13 Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it.

Choose the narrow way.

The man who calls himself a god is not God – the man who begs for mercy in the name of God receives mercy from the Eternal God. ***Who is your God?*** The world considers itself a place of gods, but there is only one true God and that is the Eternal God the Father, Creator of all mankind. You would be surprised if you knew who has given themselves over to the evil one to become god-like. My children wake up! ***Do you not see that your people have become god driven in a sense of placing self above everything?*** You must understand that a soul who humbles them self before Me is a child who receives the grace to become a saint. Yes, a saint, one who walks in the holiness of God. You do not need the world to become like God. I want you to refrain from yourself. Turn to God and ask to be made holy, not to be haughty and disdainful. You must choose the light and not the dark. ***If I call you to serve, will you leave all your worldly possessions and come follow Me? Or will you continue your worldly desires and sinful pleasures of the flesh – to follow man and not God, which is satan's intent to capture humanity?*** I tell you there is no way out when you deceive yourself by allowing the world to control you. This will end in demise – the afterlife in hell and not heaven. Choose God and live a life free from evil and your reward will be great in heaven. ***I leave you with this, if man chooses the wide road where does his destination end?*** There is no destination, for your attention is on self, but if man chooses the narrow road this will lead to Me your God. Will you receive Me as heaven awaits you? Choose wisely children, I am with you always.

Deuteronomy 20:3–4 Do not be fainthearted or afraid; do not be alarmed or terrified by them. For the Lord your God is the one who goes with you to fight for you against your enemies to give you victory.

Let us begin with an I love you and an Our Father...

The Drummer.

We the people of the United States of America ...your country began as a nation under God and now you have become a nation without God. You will be in a web of war for a sanction has been given for your sin. I am allowing this My children for this will test your faith and bring your people back to Me. ***Upon war in America in the past the soldiers formed regiments on the frontline as they faced their enemy. The drummer, carried his drum used for tactical communication sounding the alarm or signals, accompanied***

by a flag barrier while leading the men to battle. This allowed the enemy to see and hear the army's approach as they prepared to advance in the battle. I am sending My drummer to prepare My people for battle and allow My people to know My Love and Mercy. The power of the Holy Spirit will be poured out upon all My children readying you for battle.

You must prepare physically and spiritually. I want you to know I am with you and will lead you into battle. Realize children, that this war is a time of battling the enemy and this must be fought in order to destroy the evil enemy and take back your land once more. Your president Donald Trump is not a man of war, but he is a man who will lead My children in battle. He is doing what is right and just in My eyes.

PRAY FOR YOUR PRESIDENT – LOOK TO ME YOUR GOD – I WILL ANSWER YOUR PRAYERS.

There are many who want to destroy your president and take over your country. Do not let the enemy win. Pray, pray, pray and do all your acts with love for mankind. Pray the HOURS OF THE PASSION and let this be your prayer. Time is of the essence, remember My little newborn Luisa and her acts in the Divine Will are for each of you to repeat. You know the work I have for each of you – it is living in the Divine Will, saving souls. The glory of the cross will be yours – just live for Me your God and I will carry you through the storm. I am with you always.
