

I AM WITH YOU ALWAYS...

Today child we will discuss the separation of church and state, a regulatory bias implemented on a nation founded by God. ***Do you know what this means?*** It is a division of people who wish to believe that their God given right of faith and structure of state affairs should be separate or divided. This has caused much destruction on the part of acting one with God. ***A person with a belief in the Creator should always be able to allow their beliefs to direct their actions and decision making. This country was founded on God not man and there are those who wish to control your welfare and decisions based on their agenda. I say to you My children, America is and always will be one nation under God, as long as your beliefs and choices are Godly ones.***

Your nation has been taken apart piece by piece in order to break down and destroy your once beautiful land structure. I am allowing much of this in order for America to awaken from sleep. A day is coming when you will have to pick up these pieces and rebuild. I will be waiting for you America to restructure and come back to God. The people must abandon their old ways and turn back to God the Father, just like the prodigal son in Luke's scripture. You are now becoming aware of the lost sheep who are returning to the fold. Because of man's sins the world is going through great turmoil. I am a just and loving God desiring all to come running back to Me. I will always be there for My children and I allow calamity as judgment especially for the stubborn and prideful children. America, you will always by My love and a country of God's creation, I am always with you.

Jeremiah 29:11 For I know well the plans I have in mind for you—oracle of the LORD—plans for your welfare and not for woe, so as to give you a future of hope.

Your once beautiful America will be beautiful once more. Today child My words will speak of change, I want you to know that America is changing and will be once more My beautiful America, the land of the free and the faithful.

America, you have become a nation of wealth turned to greed, a nation of faith turned to self and a nation that has lost its greatness of truth and commitment of one nation under God. But today I say to you America this is about to change. You will be a witness of truth to all humanity by your ability to stand tall for truth, as I allow this nation to fall, I will allow this nation to be built back up, but not by man's choice, but by God's Will.

The war comes out of pride and sin, this will divide your country, and it will bring suffering to all America; but through this war man will see truth and man will see his mistakes. ***I will be this bearer***

of truth, and I will show all their sins and all the love that the Father has for His children. Mary My Mother will lead Her children to the Father and She will guide them with the Holy Spirit, and they shall be purified. Today children, much of your country is in distress with cold and snow, and fire, with more to come. REPENT and cease from evil, turn to the Lord and seek all things in His name, for there I your Jesus will be. Knowledge is important for knowing your Catholic faith, but a relationship full of Love with God is much more important, REMEMBER THIS CHILDREN. Trust Your God, I am here for you, and I will provide for My faithful, loving children. You who do not know Me, come and I will build a relationship with you, I want all to know My love. My children, it is necessary for you to have faith and belief in God the Creator, the Redeemer and the Sanctifier. I am the living God; I am your God, and I am with you always.

Ephesians 5:1-2 Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave Himself up for us, a fragrant offering and sacrifice to God.

Today daughter meet with Me in love, I am here for you in your trials and the trials to come. Be little and I will use you to bring about My kingdom.

Today children, you have been called to speak My words of love. I came into the world as a perfect offering of love. My Father sent Me out of love for all of you and He began His work of creation and brought Me to you for redemption and will complete His great works of sanctification for all humanity, this My children is His Will.

Do not think that I have given you a demand to place yourself in My Will, for I have given you free will, so it is up to you to make the choice of giving Me your will to become one with Me. I place Myself at your disposal once the soul gives Me their will, so they will do everything with Me. I give you the Will of the Creator, Redeemer and Sanctifier in this act of abandonment of your will to Me.

Together, We will place ourselves into the hands of the Creator and Sanctifier, becoming a love for the Trinity, making you a reflection of Our love to all others who only live for their own wills. I want all humanity in My Will, and I always begin with little and make things big. I want to ask for your YES in abandonment of your ACTS for the betterment of all creation, this will be a process that will help build My kingdom on earth, for many of you have already begun this movement of your YES, but there are still many more that have not. Be wise, act accordingly and listen contently with a heart full of love for you God.

The marks on My hands, feet and side are a sign of My love for you. These wounds were given to Me by your sins and I have taken these sins from you for My great love for you. I will always take you into My wounds to bring you to the Father, for He has brought Me to you as a gift and treasure this gift. I come to each of you in these ***Letters of Love***, as your Crucified King and I will continue to come through this work of love for all humanity, I am with you always.

John 16:27 For the Father himself loves you, because you have loved me and have come to believe that I came from God.

Today, daughter My heart is open, it is open to all so they may enter into My love. I desire for you to promote this love, let Me begin.

Children, My love for you is great, My heart is full of this love for you. ***Will you be My love and enter into My heart?*** There you will find My Will full of peace, and unity always abounding with love. I am here waiting My children, for this is the time when you need My love, and this is the place where you will find the love that no one else can give. ***I have given you everything you need, and it is within My heart. I give you this love, so you become one with Me. The Father has allowed this love to flow, and He is the bearer and source of this love, all for you children.***

My sons and daughters continue your acts of love, by entering into My heart, always seeking My Will. The Spirit who produces this continual ***flame of love*** will ignite all other hearts who desire to enter into My heart. I give this freely to you, for this is a ***flame of love in My Will***, produced and generated by the love of the Father, to sanctify humanity.

My children, believe and know that I am with you, I am sending My Holy Spirit and it shall be with you until the end of time. This gift that I give will allow humanity to be enlightened and purified in My Truth, a truth that only I can give; this is My Will and know that you will be made whole in this gift. The Will of the Father which was given to Luisa will be made whole in you and you will be a testament to this age of purification to bring about the kingdom of the Divine Will. Tomorrow children will be just another day in time, but today in your acts you can build and rebuild your community with acts of love for Me and all humanity. Purity comes from the heart, that is why all hearts must be made pure to become one within the kingdom. I will purify each one of you by My truth. The kingdom comes as does each one of you who enter My heart full of love.

May My peace be with you and may My Will always be in you. The Father calls his children to love and, in this love, all will become one, for I am with you always.

As I finished writing today's message, I stood up and looked out the window and saw the snow gently falling and I heard Jesus speak:

New beginnings, the firmament has broken through, and grace comes to America and My nation will be made new again in My name. Children of America your prayers have been answered. Pray for this New America of My Will.

Psalm 107: 29-30 He hushed the storm to silence, the waves of the sea were stilled. They rejoiced that the sea grew calm, that God brought them to the harbor they longed for.

My children, I am here amongst you and I am preparing you to be ready, for the ***STORM is upon you.*** Soon you will see the waves smash against the ship just like the waves that tossed about the apostles on the Sea of Galilee and yes, My apostles were frightened as I lay asleep. You My children represent the boat, be not afraid for what is coming, be at peace I am with you.

What is needed is faith and trust. Be like the apostles and come to Me and I will help you to calm your sea of distress. The days upon you are the birthing pains, preparing for My return and this STORM is a mighty one that will take hold of all humanity. What is needed is Me Your Jesus to calm the storm of your trials. I will help all My children and prepare them for their time with Me. This is the beginning of your great trials that I have allowed and will be a test of faith for mankind to encounter their Creator, as all souls will be brought to the precipice as they will see themselves in Truth. This must be in order for each of you to be purified and acknowledge your sinfulness, this will be painful, but I will be with you through it all.

The storm comes and as you are tossed about and the waves are smashing against you know that I will be with you. I will calm the storm as you have faith and trust in Me. I am telling you this out of love in preparation for what is to come. Praying the Hours of Passion and doing your rounds in the Divine Will keeps you afloat and steers you in the right direction of My Will; protecting you from becoming lost in the storm. Pray My Mother's Rosary, allowing Her to keep you united to Her in prayer and seeking all things in Her, with Her and through Her.

These days are very dangerous for humanity but with Me you will over come all things. REMEMBER PRAYER CHANGES ALL THINGS. PREPARE – BE READY – THE STORM IS UPON YOU. I AM WITH YOU ALWAYS. Jesus Your Crucified King †
