2 Corinthians 13:11 Finally, brothers and sisters, rejoice. Mend your ways, encourage one another, agree with one another, live in peace, and the God of love and peace will be with you.

Let us begin with an I love you and an Our Father...

The Movement.

There are many in the world today that truly understand the need for peace, a peace that reaches all peoples and nations: but there are others who want war. Do not fear the others, just trust in your God who will provide this peace.

I want to speak about a movement of peace, for this movement will spark a revolution within the hearts of all mankind to seek My Will for peace in the United States and for all nations. This Movement of Peace is on the horizon but first comes war. War comes in many forms – arguments – disagreements – pride - dissidence – assault and even combat. I seek My children to bring peace, for you are My children of peace and through your acts in the Divine Will we can bring about this *Revolution of Peace*. All people

must lay down their pride and arms to bring unity and love. I want all to have My peace but I cannot force peace upon you, for one must freely desire it and you must Will It, so mankind will be open to live in peace.

The one who lives in peace lives in Christ. I am the one who will lay down the lion with the lamb. This means your unity in peace brings Christ to all people and nations.

This war I speak of is in the hearts of man's – greed – pride - lust – desire for power – and wanting no one else to have the freedom of life. Your world is consumed by these sins and the only way to stop this is to repent and bring yourself to the conclusion that I AM LOVE; I AM GOD and I AM YOUR PEACE. Believe, start by acting in My Will and We will accomplish all things together.

My Immaculate Mother, yes She is the Immaculate One, She will lead Her children in this Revolution of Peace. When the hearts of mankind turn to Her Immaculate Heart, then Her reign begins. She is the one who will crush all malice, hatred, pride and evil. We, My Mother, I and all of Her children are going to accomplish this reign of Her Immaculate Heart bringing an Era of Peace by using all who wish to be used for the Kingdom. I am the Way and She will bring the truth. DO NOT DOUBT THE POWER OF GOD. Let us all be united into One, as a King and His people who will follow the Queen to accomplish the reign of the Kingdom. The result will be the most magnificent Kingdom that ever reigned and all

***who walk in My Will become part of My Kingdom. My Kingdom comes and My Will will be done on the earth as it is in the heavens. I am with you always.

Romans 15:4 For whatever was written in former days was written for our instruction, that through endurance and through the encouragement of the Scriptures we might have hope.

Let us begin with an I love you and an Our Father...

The Door.

Today I will speak about "the door." ***What is a door?*** A door is a way to enter and exit into an enclosed area. This opening allows you access to enter or leave the enclosed area. I want to focus on "the door to your heart." ***Are you allowing the things of the world to enter into your heart and is this door always open?*** The door to your heart should always be guarded and protected from danger or harm to your interior life that can lead to sin.

The heart is a source that gives one life, it is the central structure of the human body and gives the body life, for you cannot live without a heart. The heart is also a source of spiritual connection between God and the human person. I live in the hearts of man who will have Me and open the door to their heart allowing Me to enter. The door to your heart should be protected at all times. The idea that man's heart beats in unison with it's Creator is true, true to the fact that if man stays in a pure state of grace – I your God will continue to dwell within you and allow a continual flow of grace. When one sins, this flow of grace is interrupted, and the grace can even stop flowing when mortal sin enters. Only by My grace in the act of absolution can the grace be resumed. That is why it is important to stay in a state of grace, keeping oneself within the Sacraments of My Catholic Church. Believe, know that grace is a necessity.

I want to speak on this year of hope which is coming to an end. This year of hope that has been declared by My Church also represents a door of hope for humanity to enter in. The doors of My Church are opened by the Pope to declare a certain entry into the spiritual grace of My Church and allows My children to receive a great measure of grace. The gift of hope I give is needed at this time as the Church is entering into exile because of its sin. I want My children to be given HOPE so they will walk by faith and not by sight with the virtue of hope in the Lord for all things possible. The Church will need this grace to get through the trials and tribulations of the world. Do not disregard this hope, believe and know it is a great gift for this era. I am with you always.

Isaiah 58:8 Then your light will break forth like the dawn, and your healing will quickly appear; then your righteousness will go before you, and the glory of the Lord will be your rear guard.

Let us begin with an I love you and an Our Father...

The Physicians.

Today My children I will speak about the physicians who medically treat those who are ill. I want to emphasize that not all medical treatment is good for the person, it is a temporary treatment to fix the problem or mend the broken or treat the illness that a person may have. Your doctors in this medical industry are creating most of the problems and therefore you are becoming weak and sick from these different types of treatments, medicines, ointments and injections. The medical pharma has become your worst nightmare, and they are driven by the influence of money, greed and power to control the human population. Man cannot survive on these technologies that doctors are using and continually creating, because one medical treatment may fix the problem, but another treatment may be needed which then counter acts the original treatment causing damage to the human body. I want you to know that I created the human body to heal itself, yes, the creation of your cell structure can heal itself, but when the body is infected by what the person consumes it becomes weakened. The immune system becomes unstable and cannot fight off disease and your own people in the medical and pharma industry have caused this problem.

I want My children to become healthy and soon you will be able to help your body heal. The great awakening that is coming will rejuvenate the human body, taking it into a new light source of strength. This level of light that comes forth will be from the sun. Yes – the sun’s rays will heal humanity and heal the earth. I am the Great Physician sending this healing during this great awakening, please children – NO FEAR. A newness of life comes and will bring not only strength to the human body but strength to your inner soul. Mankind will be united with its Creator, and all will know the truth – I am referring to the Kingdom to come – you will see the old infrastructure become new and all will know the newness of life in My Divine Will.

Begin your day children seeking Me – seeking peace and all will come forth for you and others who will benefit from your acts in the Divine Will. Devote every effort to Me your God – as you do this for Me you will do this for the Father as well. Be attentive and always seek Me for your daily advice and we will work on things together with Peace, Love and Mercy, all in one continuous act in the Divine Will. Do not fear the coming days for all must happen for the Kingdom to come. This peace between you and Me will be lasting peace that no man can give. Go now and be attentive to My words – for the healing light of My Will comes. I am with you always.

John 6: 32-33 So, Jesus said to them, "Amen, amen, I say to you, it was not Moses who gave the bread from heaven; my Father gives you the true bread from heaven. For the bread of God is that which comes down from heaven and gives life to the world."

Let us begin with an I love you and an Our Father..

The Dock.

My daughter today I will speak about "the dock." ***Do you know what a dock is?*** A dock is a ***physical structure that allows ships to enter and become stationary*** to load and unload material or passengers. This dock could be used for delivering commercial goods or transporting people from one destination to another. Each of My children are like "the dock."

Read St. John Bosco's dream on the ship and I will explain. (there is info on the internet I found on St. John Bosco and his dream. Please click the link to listen or read:

<https://perpetualeucharisticadoration.com/the-dream-of-st-john-bosco-two-pillars-of-the-eucharist-our-lady/>)

These 2 pillars are living symbols of the Eucharist and My Mother living in the hearts of all of humanity who desire to love and serve Her. These 2 are what will destroy and conquer the enemy. My Church, its "Last Hope" is My Eucharistic reign through the heart of My Mother. ***Do you understand the importance?*** This must be, in order for humanity to enter into the purification and abandonment of My Divine Will. There are some things My children that you do not understand, what you must truly understand is My living presence in the Eucharist and the great True Devotion to Mary My Mother, for this will bring mankind into the fullness of My Divine Will by all of your acts bringing forth My Kingdom. The dock I speak of represents you My children, you were created to be a living structure of God's presence and love. One who allows My Church (the ship in St. John's dream) to enter their heart, embracing its Catholic teachings of the Sacraments to dwell within, will create a relationship with the Trinity that will bring forth this great spiritual renewal to humanity.

The Church, a great sadness this brings Me, for My priests are not doing enough to reposition themselves as "Teachers of the Eucharist." All those who instruct and teach My children about My True Presence living and breathing in the Eucharist is continuing My Kingship on earth by nurturing souls and preparing My children for My Eucharistic reign that will be heralded in by and through My Mother's Immaculate Heart – She will bring Me forth just as She was chosen to bring Me forth at My birth.

The time is now as in St. John Bosco's dream, prepare and allow your will to become Mine. Resist the devil and his temptations. Attend Mass and as you receive My Sacraments receive them for others as well in your Divine Will acts. Get on your knees and pray the Rosary to My Mother, asking relentlessly for Her assistance for yourself and others. Pray and do not give up for all is in the heart of the soul who persists with a desire to serve Me. America – I call on you to represent My Fleet of Faith that will become a defender and warrior of light, fighting the darkness to defend and protect My Church and its people. Your leader will defend those whom I have given authority over, for America will be My ship of hope and love for all humanity. I am with you always.
