***Song of Songs: 6:3 I am my beloved's and my beloved is mine; he pastures his flock among the lilies.***

Let us begin with an I love you and an Our Father...as you begin your walk with Me today.

Swooned by My love.

***Do you understand what it is to be swooned?*** It is the total abandonment to Me in an ecstasy of love. Taking self and giving it to Me in a dimension of just you and Me. We become one, for My love and your love unite as one love.

***Walk with Me and let us talk awhile. Children the meaning of swooned is another word for admiration or extreme passion and adoration for someone who falls into a state of ecstasy in an act of sacrificial love for another. In this context I AM THE OTHER and you become the one swooned in this act of ecstasy when we are alone and together our hearts become one.***

The saints were many who were swooned falling into this state of ecstasy with Me. This act becomes so evident that some of the saints were comatose and even lifeless at times, while some of them levitated off the ground. This trance-like state was pure love flowing from Me to them, for I was their one and only love. My children, I want this for each of you to become entranced swooned by the presence of My love, each of you becoming My little saints. Every child I created that became a saint was unique, but their abandonment and love for Me was the same. It was by their high degree of spirituality in union with Me and their total abandonment that allowed

them to fall into this pure ecstasy of love. This abandonment also produces a stability of heart that creates a union with Me that no man can break. I am referring to a continued love for Me and an abandonment to My Will. These saints I speak of were from all walks of life, but each one acquired spiritual grace in giving more, more love, and more sacrificial offering of love. This is the walk I desire for each of you. ***Will you be Mine – all Mine? So, I may bring you into an ecstasy of love with Me, where it's just you and Me, lovers exchanging a love that radiates our hearts and we become one.***

My priest sons, I ask to enter into Me as well, but so few are capable of being swooned into love with Me. They have become distracted by worldly attire thinking of self and not assuming I need attention, but they are wrong I am a jealous GOD, who wants their love. When My priests choose this ecstasy of love for Me there is no limit on what I can do for them and through them bringing immense grace with pure love to all mankind. ***Continue to pray for My priests. I will grant absolution to My children through My priests but imagine what more I can give when they are swooned by My love. If they offer total abandonment to Me anything is possible, becoming Me in the flesh incarnated, as I did when I walked the earth. Yes, given a higher degree of spiritual gifts,***

***with miracles upon miracles. They need Me children pray for this union with Me and My priests; I love them very much.***

***Now children, this act of abandonment comes at a cost, not a monetary cost, but at a sacrificial cost, giving Me everything so I can act within you – your will becomes Mine – therefore I do everything in you and through you. We become one and all I have is yours, for I give you My Kingdom in this act of abandonment.*** The time is now, you are the generation that will bring forth the Kingdom – Luisa is the Matriarch of this work she is your guide, for I have entrusted everything in My Will to Luisa and she will lead, all you need to do is follow. Place yourself in Me and we will be in an ecstasy of love together. My love is your love – we will be one love for all humanity, burning flames of love enkindling all to be united as one. I am with you always.

***James 1:12 Blessed is the man who endures trial, for when he has stood the test he will receive the crown of life which God has promised to those who love him.***

Let us begin with an I love you and an Our Father..

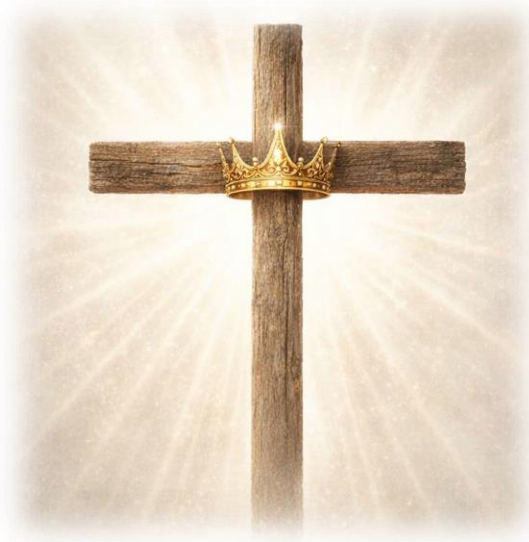

The Cross and the Crown.

Today children we will discuss your cross and crown, for this is the way with Me to eternity. I am with you My children, be at peace and listen to the voice within your heart for it is I Jesus. I am with you on this journey of love. My children imagine yourself on the road to Calvary taking each step up the hill and imagine Me as yourself. ***Have you taken up your cross and followed Me?*** My cross was different from your cross, because My cross contained all of your crosses, this was all of humanity contained in one single cross. All sins, hardships, and sufferings of mankind and the rejection of God were endured with My cross, all for your eternal salvation, if mankind accepts Me. ***Now, the cross that each individual carries is unique, for each soul has a mission of suffering particularly for self and for others. I allow this suffering because man needs to know the effects of their sin and the repercussions of sin. All must become one in suffering in order to receive the grace of salvation. This My children is an offering of love to Me, no matter how great or small, the suffering is used for the salvation of all mankind.*** My sons the apostles suffered and died as I but to a different degree and all the apostles suffering were out of Love for Me and preparing My church on earth for the coming of My kingdom. Purification comes from suffering and sacrifice for another. The cross brings the crown as a reward, but you cannot receive the crown without the suffering of the cross.

Your crown is a gift when one completes the act of suffering by their cross. My earthly crown was full of thorns for man with a great suffering I endured. And you will receive your crown once your suffering has been accomplished and endured to the end. I have chosen certain souls for different sufferings, but the reward is always a crown of salvation. The crown may be gold, silver or even embedded with precious stones; these crowns are all unique because each suffering soul is a unique child of God. Remember you cannot receive a crown without the cross. ***Will you carry and embrace your cross for Me, so I may crown you in Heaven? Praise and worship is given to the Lord of Lords, I am your King who will crown you with many crowns. I will always remember My children of the cross for they have endured suffering for love of Me.***

Your sons and daughters are the bearers of a generation of peace and love that is to come, for your sufferings are not in vain because you are sowing the earth for the reward of the kingdom to come. Every cross receives a crown of salvation bringing forth the kingdom of God. I am Jesus Your Crucified King, come follow Me and all will be given accordingly to carry out the preparation for the Kingdom. My Mother the Queen resides in this Kingdom as well, she sits on the right-hand side of Her Son. My Mother wants all to receive for she is the Queen of all hearts and the heart bearer of My Kingdom for all will be given through Her Immaculate Heart for the coming of the Kingdom. I am with you always.

***Jesus Your Crucified King †***

***Every soul is born with a cross.***

***Every soul needs the cross but so few embrace the cross.***

***Those who embrace the cross become a true living cross for Christ.***

***I will use the suffering of their crosses for the healing and transformation of all mankind.***

***Psalms 33:10 The LORD foils the plan of nations, frustrates the designs of peoples.***

Let us begin with an I love you and an Our Father...

The Tower.

Today, children, I will speak and teach about the tower. ***What is a tower?*** A structure that is used to watch and observe, this can also be used as a fortress or part of a military compound. Think back to the story in the Old Testament about the Tower of Babel. The influences at the time were great to many people, Nimrod and then Nebuchadnezzar had influence over the people by their evil acts. Nimrod started creating a Tower in an attempt to reach his god's, but I the true God confounded the people and destroyed their attempts of reaching the heavens. Your people today are a reflection of these same people from the past. The builder who attempted to construct this tower was an evil ruler; he incited others for his own agenda. Your nation has become a temple, like this Tower of Babel representing many different cultures of people, just as the Tower was struck down by God and resulted in a mix of languages to confuse the people.

I want to explain the importance of one being conducive to the Will of God. It is working for the Glory of God to build His Kingdom on earth, not by choosing earthly desires over God. One must always be alert and achieve caring acts for humanity. The stones that were used to build this tower were not of God, for they were stones that represented pride and rebellious acts against God, allowing the people to do the king's bidding. ***Was this an act of one walking with God? No, you must not seek desires for self – this brings sin, "seek first the kingdom of God and his righteousness and all things will be given unto you."*** (Matthew 6:33). ***Your passions and desires should not be focused on worldly pleasures or material possessions, but only on God alone. I want My children to become true children of God – not as those from the Tower of Babel.*** My children, you live in a society as in Babylon and your god is your materialism and sin is rampant. If you continue to build your lives on material wealth it will fall just like the Tower of Babel fell. Place everything in the hands of God and let your hearts be a place where I can dwell. Do not worship false god's, worship the one true God. I am with you always.

***Matthew 18:3 "Amen, I say to you, unless you turn and become like children, you will not enter the kingdom of heaven."***

Let us begin with an I love you and an Our Father...

Purity of Heart.

Today children you will learn to have a pure heart. ***Do you understand that the human heart must be purified to enter the Kingdom of Heaven?*** My children this is mankind's only way into the kingdom. I have spoken about this before, you must be like a child, having the heart of a child who has a pure heart. A little one who is gentle and pure, not proud, boastful or full of deceit, but little and humble. I want you to understand the necessity to be child-like, always relying on your mother. ***My Mother was given to you as a spiritual Mother for all humanity, She nurtures Her children with a pure heart, the Immaculate One who never wavered in Her faith, always putting Herself as less than others; never allowing acts of self to become important. My children you must act in accordance with Her as the example and a role model to follow. By following Her attentively, you will learn much and draw close to Her Heart, this comes with a consecration and a sacrifice to Her Immaculate Heart. Your consecration to Her is of great importance and allows you to become in union with Her and She then leads you to Me in a greater union of love.***

I want you to continue your journey with My Mother by reading and contemplating Her words from the ***"Virgin Mary in the Kingdom of the Divine Will,"*** these writings of Luisa are of great importance for it will bring forth My Will in each of you. You cannot be formed or modeled after someone if you do not know them, read Her words and you will become one with My Mother; the saints learned from Her and so must you. I want each of you to be aware of Her responsibility as Mother and exemplify every act, this will bring you into newness of life and perfect love for God, creating a purity of heart. I want all of this for you because My Mother will always lead you to Me.

**"Man shall not live by bread alone, but by every word that proceeds from the mouth of God" (Matthew 4:4).** Your words have great meaning especially when a soul has a pure heart the words come alive in the Spirit. I speak these words to you because Her words come alive in the Spirit forming you into **true children of God.** I give you this command today, love My Mother as you love Me, follow Her and She will lead you to Me - be pure of heart in all you do for the Kingdom glorifying God in all your acts, then you will be like Your Mother pure and holy before God. I am with you always.
