Proverbs 4:25-27 Let your eyes look straight ahead and your gaze be focused forward. Survey the path for your feet, and all your ways will be sure. Turn neither to right nor to left, keep your foot far from evil.

Let us begin with an I love and an Our Father..

The Forest.

Today we will talk about the forest and what lies within. The word forest has meaning; it is where My creatures' dwell and where My trees and nature are. I want to emphasize that the forest is also a dark place at times where one could get lost. This forest I speak about is the darkness that surrounds you; a person who is capable of taking a walk or hike in the forest can lose their sense of direction causing instability and a sense of hopelessness.

I am referring to a person who allows the evil of the world to consume their life. Yes, you must be vigilant and stay close to Me and to My Mother. Understand that the devil and his minions are on the prowl. The forest represents the darkness of the world and its evil around you. If one is not cautious or vigilant in daily living you can lose your sense of direction living your faith and become lost in the things of the world which allows sin in your life. You are living in the days where sin abounds. Know your surroundings being cautious always, but live for Me your God with fortitude, compassion and love always allowing Me to guide you. Fear not, remember when one enters a forest there is always a clearing at the end of the tree line – there is the light where you will find your way out of the darkness – yes the light – I am the light and I will always lead you, just submit to My Will and We will do everything together to save humanity. I am with you always.

Luke 19:10 "For the Son of Man has come to seek and to save what was lost."

Let us begin with an I love you and an Our Father..

Peace to come.

I am here My children, believe and know that I love you. We will talk about the world and the peace that is to come. I want you to know that the world was at peace at one time, before the fall of man. It was not until after the fall that the world was in turmoil. Your families, your ancestors from the beginning always had original sin because of Adam's fall and this resulted in no peace. ***I came to save the world from sin and bring peace.*** There are many in this world who have always wanted war for money, influence and power; not caring about human lives lost because of their evil influences. ***You must understand that if man continues on this path of war man will destroy himself and the earth as you know it. Do not be deceived by a false peace, for man will also disguise his intentions. You must pray for true peace, unity and love for mankind, so the world may become a haven of peace.***

Your country America was taken over by greedy socialistic, bureaucrats wanting war to feed their evil intentions always playing a god and man was the suffering slave. I your Jesus came to bring peace, but when I come again there will be no peace for a time, because I will destroy their evil and bring forth unity, love and peace that no man can give. This can only be given with true repentance and an awakening that I am God, Lord and Savior – Son of the Living God Jesus, the One who died for your sins. ***Remember, humanity must be humbled in order to recognize their sin – and the choice is always yours – sin and death or repentance and life. Choose wisely My children because this comes soon for the world. I will bring you to a place where no sin lives in your Yes to Me – heaven, peace and love.*** This will be a choice you will make and everything has consequences, you must realize your actions have consequences and they must be dealt with. I am a just and loving God; please prepare your hearts for I will bring justice and peace – love is what I always give because you were created out of love.

My sons the priests will be waiting for you to repent, for they have been given the authority by Me and there will be an influx of people coming back into the Catholic Church by the awakening when they realize that Catholicism is the true church. They will repent for their sin of hatefulness and disregard towards My church. I am waiting – the doors to My church are open wide with mercy, please enter with an I love you; I am with you always.

Ezekiel 36:28 You will live in the land I gave to your ancestors; you will be my people, and I will be your God.

Let us begin with an I love you and an Our Father...

The storm is upon you.

The waves have been thrashing against the boat and your Father has kept you afloat. My children those who continue to follow Me will be able to endure the great storm, it is here and its about to show its strength. ***Do you want to survive this storm? Do you want to have freedom and live a life for all? Your strength is in your faith in Me. Believe and know that I your God will help you through all things. We will conquer this storm together.*** Your president Trump spoke about the storm in his first term in office – but to many people it was a mystery. He the commander and chief was directing his crew preparing and operating in a time of distress – meaning he was acting as a commander with authority. This storm is not just physical its also spiritual – the state of the world is in great darkness and complete chaos, but I took this man and used him to by My commander to direct and guide My people out of harms way. Trump will be successful because I AM HIS GUIDING LIGHT – DO NOT DOUBT THE POWER OF GOD. Your country is witnessing this storm, for many will perish but those who keep their attention on Christ and believe will succeed. You must understand the enemy will not give up easily – only through the power of God can this evil generation be defeated. You will have to suffer in your acts to accomplish the victory with Me. ***The United States of America – My country that was formed in the heart of the Father is going to be purified and made beautiful once more, from sea to shining sea. We, you and I will accomplish My Will and that is to bring forth the reign of My Mother's Immaculate Heart. This will be perpetuated in this great country the United States of America and will spread throughout the world. I use all things to glorify God, the Kingdom will come and My Will is going to be done. America will be the***

shining light that gives honor to My Mother and Her love for America. Be brave My children and pray for America, for the devil wants to destroy your Republic because of its great destiny to bring about salvation to the world through My honor and the honor of My Mother's Immaculate Heart. The world will soon be witnessing this great act of My Will – Trust and Believe. America will soon witness a great conversion of souls but first we must get through the storm. Be a true Christian and defend your Catholic faith – all will be accomplished in My Will. I am with you always.

1 Corinthians 4:5 Therefore, do not make any judgment before the appointed time, until the Lord comes, for he will bring to light what is hidden in darkness and will manifest the motives of our hearts, and then everyone will receive praise from God.

The Heart.

You will experience a change of heart – it will happen when you least expect it and it will happen in an instant, a moment of time when the world is in complete chaos. Do not hesitate to make an act of reparation for your sins and confess your sins. This will happen soon.

I am warning all My children, the day is soon upon you when ***the world is going to change through the eyes of the soul who has given their heart to Me. I am talking about the Warning – the Illumination of Conscience – your hearts will be changed in an instant and all will be different after you experience this encounter with God, it is not something to take lightly. I want all My children to be ready to receive this special gift from Heaven as a new beginning, a time when all things will be seen differently in the eyes of the soul who will witness their Creator and be shown their sinfulness of self. You are going to see truth, and you are going to feel pain from this truth, for it must be, for all will experience this pain, because it is a realization of your sins, the repercussions and consequence of your sinful acts that have caused others pain. You cannot run or hide, for all will be revealed.***

The act of sin must be dealt with and the Illumination will be an act of sanctification that will purify souls by truth – once this act of revealing sin is given you have a free-will choice to accept the living God or refuse. This moment in time is your destiny in choosing Yes or No. You must choose Yes to be given grace as an opportunity to start a new life journey of following Me your God and an understanding of what it means to be a true Christian. Your No will be met with more consequences, for you have been given the gift of free-will and No would place you on a path of perdition being outside of God's grace, for the world will be your God. This act of abandonment from the true God has consequence, you are damning your soul. I desire that all My children receive Me as their God but I cannot force anyone to accept or serve Me, I can only reveal and allow you to see the truth, and you must make the choice Heaven or hell – God or man – choose wisely.

Prophecy is being fulfilled and all will come accordingly. The Mass (the Catholic Mass) – the importance of the sacrifice will soon change after the Warning. This will trigger a great awakening in My children for they will know what they are to do and where they are to go, for it is the angels who will assist. The process of giving society the mark of the beast has already begun, it has been implemented in a very subtle way and unnoticeable to many, but soon all will realize its place in society. America will be

a stronghold as a Republic, one nation under God to help many around the world and I will be helping America to be strong in protecting the weak.

The Vatican has been given an ultimatum and will soon be revealing many secrets that have been hidden from My children. DO NOT DOUBT YOUR FAITH – YOUR CHURCH – THE CATHOLIC CHURCH IS THE TRUE CHURCH – STAND FIRM IN YOUR FAITH AND BELIEVE, I am with you always.

Romans 6:4 We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life.

Let us begin with an I love you and Our Father..

The Tomb

Today I will speak about My death and entombment, the place where My body lay before I resurrected from the dead. You must understand the importance of My death and resurrection, for My Mother knew

I would be raised – She was the one who knew I had to die to rise for all humanity and My Mother brought *Hope to the others. We will accomplish all things with Hope in the Lord, believe.* The tomb is a symbol of death – a place of no life where the body is placed in darkness. ***Do you know that today October 31 many people celebrate death and a desire to live in sin?*** You cannot expect to live if you celebrate death, for I am speaking about the many people who live in this culture of death. They worship society, self and a life of sin – this is an evil generation. One cannot have life if you live for death, I am the way, the truth and the life for souls who believe in Me. My tomb

signifies an afterlife of Hope, for I died and rose from the dead so you and all humanity may have life, an abundance of life in My Will. We will have this abundance of life together in the kingdom to come. I will call each of you home one day – to begin a new life with Me, but one must accept the light of truth – that I am the Son of the living God – Jesus Christ and truth will bring you life eternal. You must prove yourself to Me by accepting who I am and you will have life in abundance. The world has become a very dark place of sin, it will be given a new light when the kingdom comes, then My Will reigns and all who believe will have eternity with Me. You have chosen well if you believe I am the way, I am your God.

The tomb will be yours one day and if you accept Me as your God and savior, I will raise you to be with Me in eternity. My love is infinite, and I am with you always.
