May, 2024 Messages from Jesus

John 18:37 Jesus answered, "You say I am a king. For this I was born and for this I came into the world, to testify to the truth. Everyone who belongs to the truth listens to my voice."

Do you know the truth will set you free in My Will?

This is what I want you to know that the truth has always been with Me, for in My life's journey I spoke the truth, and this became a pathway of the truth for others to enter the kingdom of My Father in heaven. No other can give you this truth because this is My Will. I am the way, the **Truth** and the life, all who come to Me will come to the Father of Truth.

This message I give speaks to the heart, it gives you consolation and hope for tomorrow and the future, I am coming to redeem the world and I will come as the light for all to see. You will witness this light and reflect on the path you have taken from your past leading up to the present. You will be given the opportunity to choose a greater path for your future or a detour on the road to another direction that has no hope. I ask that all of you choose to follow Me for greater things that will reflect the service of your neighbor and for the Glory of God the Father. You were created to serve

with love and be a light that leads others out of the darkness and into the light of My Kingdom where the Father waits for the arrival of His children. ***Do you see the importance of your creation?*** It is not just that you live a life for yourself, but you live it for others. ***The Divine Will reflects this, and it is the ultimate sacrifice of doing your acts for others, fusing others into My Will with an act of love.*** Do this for Me children, continue your rounds in the Divine Will as a continuous act of love, for this is a command of My Will. Pray for those who have offended you and do not know Me and place them in your rounds of love. This My children will help those lost to see the truth of their wrongs, and will give them a newness of life in Me. These acts you fuse with Me will be like a mirror that can reflect their acts to the degree of them becoming like you in the Divine Will. This My children is the grace of My Will.

The days ahead will become more troubling and many decisive plans against the people are planned, but you will overcome all this when you are grounded in My Will. This is going to be a bumpy ride, so hold on My children for you will be given extra grace for the coming days.

Remember, I am always with you... Jesus Your Crucified King †

Hebrews 10:36 You need to persevere so that when you have done the will of God, you will receive what he has promised.

Nature and its weather I control but earthly men of power are manipulating this to gain control over the people; you must pray and do your rounds in nature for this to be mitigated. My earth was created to help mankind not destroy.

You My children are acting in My Will with this apostolate. I am giving you more grace and more responsibility to perform the task of being a child of My Will and a promoter of the faith living in the Divine Will. This brings Me great joy to see a soul speak to My Children about My Will. I am giving you more responsibility as a child of God to bring My Will to others. Each will be given a task to promote this work of love. I am allowing you to go out and speak My words and allow My Will to be placed within the hearts of others. I will open their hearts to My Will – and they will manifest My Will becoming My Children of the Divine Will. ***I am giving you this special grace to do these things for Me Your Jesus. Be not afraid My little ones, go out as My Apostles did when I gathered them up for My Church. Begin to promote the Divine Will, for I will be there teaching you and strengthening you with My words for the children to hear Me through each of you.***

This year 2024 will mark the beginning of the Divine Will to enter into the hearts of many souls. Little Luisa and her writings will be given to many and those who do My Will will be given many graces to perform these acts of teaching the Divine Will in My name. ***This is My declaration to all of you, it is time for you to go out and begin your journey of faith bringing My people into the knowledge of the Divine Will through this Apostolate of Mercy and to prepare yourselves for the Kingdom to come.*** I am with you always – My Divine Will reigns in you and all those who are brought into the light of My Will.

1 John 3:18 Children, let us love not only in word or speech but in action and truth.

Test the Spirit always and you will find peace within you. I am the way, the truth and the light, whoever finds Me will find peace.

Today children My life is within you. Yes, My divine life is within you when you are walking in My Will performing acts of love fused into My Love. Be little like Luisa and do all things with love. The littlest of acts can contain love and these acts are seen with great joy to express an act of love to those in need. ***Do you wish to do an act of love in My Will?*** Then children, you must look within yourself and empty everything that is of self and allow Me to fill you with My love and you will then be able to do your acts of My Will full and overflowing with love. I am here for you and for those who refuse Me, for they too need Me and will be filled with the Love of My Will through you. Yes, through your acts done in My Will. ***This My children is the greatest act that one can give as an act of love, as you continue your acts fusing everything in My Will for humanity in need. Please believe that this gift I gave Luisa, can also be yours and you My children can help mankind acquire this as well.*** Just become a child of My Will full of love for your neighbor, meeting those in need, the hungry, the homeless and the most forgotten, for they too need Me as a way of salvation. I have given you this precious gift in the writings of My little Luisa and now you can obtain this as well.

I am giving you the Will of the Father, which is My Will, bringing forth the Kingdom of God on Earth as it is in Heaven. Believe! Listen to your heart for there I dwell and remember the Will of God is the way to Heaven and there you will accomplish all things.

I am with you always...Jesus Your Crucified King †

The teaching of the faith, this My daughter is going to be about the teaching of the faith through this Apostolate of Mercy. One by one they will come to learn the faith of My Will.

The church is built on faith, the One True Apostolic Catholic Faith. Your Creed, "I believe in God the Father"...He is the beginning and there is no end. You see that this is the faith built within My Will. I am the light of this faith, all who believe in Me shall not die but live. I love all My children, and all must conform to the faith to be saved. You are the Children of Faith. ***I want to form My church in each one of you, the True Faith of My Will. This formation begins with each one of you, in your walk of faith by the teachings of the Catholic Church all within My Holy and Divine Will. Children, this means that each of***

you who walk in My Will in the Catholic faith will form the Renewal of My Church.

The Protestants do not have what you have, and other religious denominations do not have what you have and that is the TRUTH, the One Holy Catholic Apostolic Faith. This is the Universal Church of My Will. Luisa was given this great gift of My Divine Will in order that it may be given to all of humanity through her. I am the giver of this ***gift. Do you understand the importance of this My Children?***

Now since this has been given to you, this must be given to others, and you must share this vision of My Will to all humanity. I will bring forth My Will in the Renewal of the Catholic Church and it begins with each one of you. In time My Children, in My time more will be given for you to contemplate when I am ready to reveal more. For now, continue your acts in My Will, all with love for your neighbor and I will do the rest.

I am with you always...Jesus Your Crucified King †

This morning children I am here to tell you of My great love for each you and the grace of My Will to be given. You see children this day I act within the Will of the Father who sent Me, He is the One True God – He is My Father – He is the Creator and has sent Me to Redeem the world - We are One with the Holy Spirit. This means all of our acts are ONE and you My children who have given Me your will are united to Our Trinitarian love – We are united to you in these acts of Love. I will be guiding you to the Kingdom through Luisa's life work. I gave her these works so you may be able to do these works of My Will like Luisa, and even greater ones.

My son Donald Trump has been given a sentence of guilty by man, not by God, remember that. I have told you before I have a plan to save your country, bringing about peace and truth in the freedoms that I your God have given at the founding of this country. This means you will be free once more from the darkness that wants to destroy America. I also have told you that your country will go through a time of great tragedy, despair and a time of transition, for this is needed in order for the people to come back to God. I will allow this suffering for the salvation of souls. ***You My children continue your acts in the Divine Will for the salvation of souls. I love all and will help all children obtain salvation if they accept Me as their God. You will find peace when you***

accept the cross – embrace it and I will help you become one with Me. I request that you offer your sufferings for humanity, and you will be given reprieve of your sins from a debt owed. I am a loving God who always wants the best for His children. Pray for those who are in need of salvation. My Son Donald Trump has laid down his life for Me and for your country America and he will be remembered as the man who gave it all for freedom.

I am with you always... Jesus Your Crucified King †
