John 1:29 Behold, the Lamb of God, who takes away the sin of the world.

I am here My daughter, let us begin with an I love you and an Our Father...

Sacrificial Gift.

We are one the Father and the Spirit with Me, one in the same, united as One Triune God – Trinity. We are here to establish this community of love all for My children – all mankind. Be attentive, as I have told Luisa in her writings we will accomplish all things together and do not be afraid to speak to others about My Divine Will. ***My children it is time – look around you and what do you see?*** The world is in chaos but My children who are in My Will are at peace. Yes, they are at peace because they have Me. Do not think that I have abandoned you, I only allow you time with Me when one gives their yes and I ask you to walk in My Will. We will do all things together to glorify God in every act for His love and We will be His children in the Divine Will – building the kingdom together.

My sons and daughters thank you for your continual prayers, now I ask that you participate in My Passion – the Hours of My Passion in Luisa's writings. I will pour out My Divine life to all in these works of Luisa, for these words of My suffering and agony are words that have come alive in your acts of reading and meditating on them and I will save souls. Do not let your hearts go astray – follow the heart of Christ preparing yourself in the Hours of My Passion.

I will begin by saying the marriage supper of the Lamb is a gift to each of you, for it is a sacrificial gift. I gave Myself to you to be united to Me and to be open to receive everything I want to give. My Mother, She is with you in this sacrifice, We are One. The Sacrificial Lamb is a gift from God to humanity.

The Catholic Church is the place of My sacrifice because it consists of the bread of life. This life offering opened the doors to My Church. Many others followed but the Catholic Church opened the first doors. Children you must realize the importance of this gift – treasure it, for soon these doors will close and you will then be having church in your homes, just as it was in the beginning. This is not to punish you but to protect you from the evil that has caused distress and chaos. You must be aware that when the church doors close and you have Mass in your homes you will have Me and I will provide the priest, the place and the material things needed to perform the Sacrifice of the Mass. Your hearts will be united to Me and We will survive this encounter and you will be able to live a life for Me in the Divine Will. TRUST My children – for the day is coming when all will be made new. The new springtime is close upon you, fear not for I am with you always.

1 Thessalonians 5:5 For all of you are children of the light and children of the day. We are not of the night or of darkness.

Let us begin with an I love you and an Our Father...

Freedom within.

I am here for each one of you, do not fear, TRUST. Do not think that the world is at war with you, for it is at war with Me and those who follow Me are their enemies. You are the light and they are the dark – they are the enemies of God. Be aware that the thief comes in the dark of the night just like the children of the darkness, who are not the light of God. ***Do you understand?*** I am referring to the scripture *you are children of the light and the day, not of the night or darkness*. Be vigilant and always keep your heart close to your God. We will be victorious in this light; the enemy will be defeated for the light of Christ will reign. Do not judge but pray for your enemies for they will be dealt with accordingly. ***Ask yourself this question, why am I praying for my enemies? You are praying for your brothers and sisters in Christ – they too are children of God created in His image but fell from grace and into sin – for no man is without sin. Please believe and show mercy.***

Now freedom – ***What is the true meaning of freedom?*** It is aligning your will with God's by making choices that align with God over evil, the act of becoming free from sin and not enslaved by evil. Your acts in Divine Will are the ultimate act of giving you freedom. This freedom I give is within – it is your gift by your yes to Me and walking away from evil, choosing the moral way, a place of peace and unity with God. ***Freedom is within*** and is given to all who truly desire to walk with Christ. That is why your country America was given the title of Freedom – your freedom as true Christians walking with God their Creator – I am the Living Bread from Heaven; I am the One True God created in the image of the Father. I am the truth, the way and the light – I am your freedom, and I am with you always.

Ephesians 5:15-16 Watch carefully then how you live, not as foolish persons but as wise, making the most of the opportunity, because the days are evil.

Let us begin with an I love you and an Our Father...

The Tide.

You My children are being caught up in the tide. ***Do you see this coming? Are you prepared? If you are caught up in a tide what happens?*** The water comes in and can take you further out to sea and you will perish if you are not able to swim, for the power of the water takes you away. This tide represents the evil corrupt ideas and actions of the world. You must be alert and pay attention to what is happening and do not let anything compromise you. Do not let the world prepare you for My coming, but let Me your God prepare you. Please take time to recognize Me, and take the time to acknowledge your sins and repent. Do not allow yourselves to be deceived and pay attention. Be wise as virgins and listen to your God. I am warning My people to prepare and be vigilant for the world will soon change and things will become more fractured in appearance.

I am preparing My people to accept their faith and ready them for battle. You must put on the full armor of God, so that you can take your stand against the devil's schemes (Ephesians 6:11). Then get on your knees in prayer with an open heart and pray for the grace of My Will and the courage to go forward with everything I am about to give you. Some do not know the importance of prayer; some only know that I do exist but do not want to be influenced by others who are Christian for they shame you. Pray for those who

refuse your Christian knowledge for they will need it. And to those who have used Me for their own gain – you must repent, for what I have given you shall be taken away and given to another. Do not let your wealth interfere with your relationship and worship of God. ***And to those who have given themselves to the dark side they will pay dearly from their despicable acts, they will see their god, who was banished and cast down from the heavens. This will be if repentance does not come. I am giving My children an opportunity to repent so they may one day be with Me in eternity. Remember a soul must be purified in order to receive their reward in Heaven – Purgatory is real and is a place of purification, pray for the souls in Purgatory.***

My children of America you have witnessed a tragedy in this country but I say more is to come and more people will be taken by the hands of the enemy. I will turn these evil acts into grace for My people, for where sin abounds grace abounds even more (Romans 5:20) and nothing can stop what is coming. Just as the tide comes in and can take you away so does My grace flow in a more powerful way. My grace abounds and My love never ends. I love you My children, I am with you always.

Jeremiah 23:1-2 Woe to the shepherds who destroy and scatter the flock of my pasture—oracle of the LORD. Therefore, thus says the LORD, the God of Israel, against the shepherds who shepherd my people: You have scattered my sheep and driven them away. You have not cared for them, but I will take care to punish your evil deeds.

Let us begin with an I love you and an Our Father..

Judas betrayed Me and many more will betray Me.

Today we will talk about the betrayal by My priest sons. ***Do you understand the impact of the Church in society? It is the core source of growth in My love, the source that brings souls to Me. It is everything I came to be in one act of sacrifice – love for mankind. Do you understand the importance of this for My priests?*** They are a representation of Me – a full body and blood living testament to the Faith. They are My presence on earth and represent Me to the people. I came that you may live. My sons who took on My appearance are to act as Me to be the light of My love and peace. They need to stay close to My heart for so many of My priests have forgotten who they represent, and many have become Judas' to Me. These priests give lip service and turn to the world instead of Me, living a life of sin acting as though I do not exist. So many of My priests will see My Justice who have betrayed their oath of Holy Orders in service to Me and My people. Woe to My priest sons ***the shepherds who are destroying and scattering the sheep of my pasture!*** (Jeremiah 23:1) you are foolish men; I have given you My Church to lead and save My flock and you destroy. I have given everything, and you have given Me nothing in return. My Mother weeps in sorrow for Her children that you have abandoned. I come to tell you that My Mercy is now, turn to Me before My wrath comes. I will embrace you with open arms – tell My people that you have stumbled and that you have led them astray asking for their forgiveness, come back to Me.

For My Bishops and Cardinals who have allowed evil to enter My Church – you will pay a price – give to Me your sins and I will show Mercy. You are modern day Pharisees with hardened hearts – a den of vipers, placing yourselves in positions of control, greed, extortion and sins of the flesh. You will be held accountable for your sins against Me and My people. I pray to the Father for Mercy upon you. Do not let satan continue to tempt you

and turn away from your evil ways, there are many like you in My Church. Mercy, Mercy to My priests who are on the verge of extinction.

This day I declare that My Church is in a state of exile with those who have allowed evil – sin to exist within the walls of My Church, you are now entering into your chastisement and will be put to the test with your faith. I will give Mercy to those who ask for Mercy. We, the Father, Son and Holy Spirit will not allow you to destroy this One Holy and Catholic Apostolic institution of Faith. I am with you always.
