Psalm 119:142 Your righteousness is everlasting, and your law is true.

My words are truth for this nation America, please write My daughter.

Loyalist, one who is immersed in one's country for the purpose of supporting and adhering to the beliefs of their decrees or laws. You My children have many in this country who are loyal to your country that has been founded on the God given rights of your Constitution. This will be upheld and will destroy your communistic reign. I am giving this country grace to become a sovereign nation once more. You will be graced with power from God to uphold your Constitutional rights, and there is much to be done. I am with you America in your struggles and will be with you in your victory tacking back your country. This will include many hardships and a dedication to keeping your laws as a nation in place with the framework of a foundation on God. ***I say to you no other country has what you have – FREEDOM, A NATION OF PEOPLE BORN WITH GOD GIVEN RIGHTS – to uphold the Constitution one must fight to the end. We, you and I as a nation will uphold all freedom in the eyes of God the Father to establish one free country who will ultimately be a guiding-light to all other nations. Man cannot see or live without this light, so let Us be like a light in the harbor guiding and leading all who wish to restore their freedoms. You My children of America are this light, do not let your light of faith and truth go out! Be the light of faith that I have given you in My love for you. This is My Will, to prepare and love the light of faith for you to be the example that will shine to all humanity.***

As there was a pause in the Lord's voice a heard soft whispering sound of this hymn:

***Mine eyes have seen the glory of the coming of the Lord;
He is trampling out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of his terrible swift sword:
His truth is marching on.***

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
His truth is marching on.

***I have seen him in the watch-fires of a hundred circling camps;
They have built him an altar in the evening dews and damps;
I can read the righteous sentence by the dim and flaring lamps;
His day is marching on.***

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
His truth is marching on.

Today children My heart is with you, begin your day giving Me your love from the depth of your heart. I am here to tell you I give you the peace of My Will. Follow Me to the ends of the earth and there you will find My peace that dwells within My Will. All your acts done with Me will begin to manifest not only in you but from you and will manifest to all of humanity. Your acts will heal their acts of self-love, pride and hate. I want these acts of My Will to be like a healing balm for the wounded soul and nourish all with My Love. I love all and want all humanity to know that I AM A GOD OF LOVE.

Your days ahead as a nation will begin to be in conflict and you will notice a change in the people around you as the tension is building from strife causing chaos. Remember you are My peace as you walk in My Will and you will bring peace through all your acts of love with Me. Do not be frustrated if you feel as though nothing is being done, your acts are a great benefit to mankind. These are the days of My purification for humanity and all who are living during this period of time will be purified and made whole in the Divine Will. Those who wish to follow their own desires will be sorely missed because what I have given thru Luisa is the greatest of gifts – that is MY WILL – you who accept will triumph and will be made whole in My Kingdom – this represents all of Heaven and Earth once the purification is complete for humanity. Do not think I have not heard your prayers; they will be answered accordingly and will be manifested in My Will. During this period of transformation for humanity the purification will take place for humanity to become pure of heart and full of love for God and love for mankind by My grace.

Do not think that My church has fallen into disrepair, for I have implemented My Will into those of My priest sons who wish to renew the Catholic Church according to My Will. All must be cleansed and then My church will be new again and will be open to all who wish to accept My Divine Will in all its glory. This My children is My Will that the Kingdom Come and build itself within My Most Holy Church – that all will come to know and love the Divine Will within their Catholic faith. It is I Jesus, pray with Me...

***Our Father,
Who art in heaven, hallowed be Thy name;
Thy kingdom come; Thy will be done on earth as it is in heaven.
Give us this day our daily bread; and forgive us our trespasses as
We forgive those who trespass against us;
And lead us not into temptation but deliver us from evil.***

Your words of faith are words of My Will. Prepare children for your faith will be tested. I will send you My angels to assist you in your time of trials, there is no fear for one who is immersed in My Will, you will be given the grace to endure and overcome your trials. My Mother is with you children be at peace as you embrace Her Heart full of Love. My Mother speaks to Her children with love that fully embraces My Will, never has She rejected the Will of God and She will lead you into the fullness of My Divine Will for all humanity. Be a child in

My Most Holy Will of God by conforming to My Mother so She can create within you My Will fully in love with the Trinity. I am sending all humanity to embrace My Mother for the Divine Will to be formed into each living human creation of God.

Now My church, the Catholic Church will soon be divided visible to the eye. The spiritual division has already begun and now you will see its physical separation. This My children is the apostacy in full light for all to see. My children who are not aware of this cannot comprehend this separation because they are not aware of the True Faith. As I have said before, KNOW YOUR FAITH, SO YOU WILL BE ABLE TO LIVE YOUR FAITH. If you know the true faith of the Catholic Church then you are walking in the Light of My Truth, then you will be able to embrace the Divine Will through My Mother for all humanity. I have given you this gift My Mother, so I can bring to you the gift of sanctification to purify the world from all evil, this My children must be done. Fear not, I am with you always.

Hosea 4:6 My people are destroyed for lack of knowledge: because they have rejected knowledge.

I am with you daughter it is I Jesus, please write.

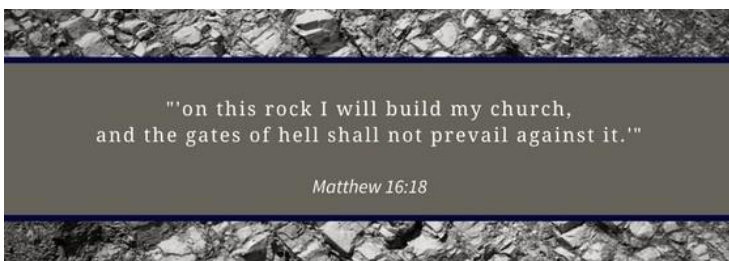

These days that you are living are repeating itself because of the destruction that sin has tormented the soul. Your sons and daughters, My children and all humanity are affected by sin. Now is the time for repentance by leaving your sin behind to follow Me. I have been waiting patiently for My people to return seeking mercy but now very soon My justice comes, leaving behind many who have fallen away and will refuse My love. ***In these days the human existence continues to seek a connection with God or with man. If you are believing that I am God and that all things are possible through Me then this should be your acknowledgement of Me with repentance knowing that all things are possible even taking away your sins, making you a new child of God. There are many who refuse Me because there is a lack of knowledge knowing Me and loving Me, for this will be their downfall. I will bring about their sins in an interior view so they will see what they have done against God and neighbor by their sinfulness of pride – selflove – drunkenness – lasciviousness and pure evils. Those who see their sins with sorrow and repent will be saved. Those who will not yield in repentance to God will be given a sentence of eternal loss – damnation. Pray for these children who will refuse My love and mercy.***

The Divine Will is My gift of extraordinary grace, and My children of the Divine Will are expected to carry out a higher degree of disposition with more being required of them. They must act, fuse and lead souls to be an example of a divine indwelling as children of God. They are here to act, fuse and live in the Divine Will with love and a greater responsibility to lead others into the kingdom of God. I am with you always.

My daughter I am present, please write...

Today children you will see the truth revealed in a way that God wishes to reveal it to you. DO NOT BE AFRAID, have courage and be brave. You will not understand fully but with My grace all will be understood in time. This truth is being revealed to you as the world begins to display its evil intent and

man will find himself alone and distraught. I will be there waiting for all My children and I will pour out My Spirit so you will be enveloped in My love as the truth is revealed. Today you see the darkness overshadow all your actions that are encountered by those who wish to destroy. I tell you to prepare your spiritual house, get your spiritual lives in order and be ready to come to Me so I may cleanse you by absolution in the confessional. This is My Will for you that you attend Confession and Mass, receive Me in a state of grace, and I will receive you with open arms giving you My unconditional love. A time is coming when you may not be able to attend Confession or to partake in receiving Me at Mass for My churches will close their doors and many of My children will become lost. I want My priest sons to be able to tend to their flock, but unfortunately, they only tend to their own desires. You will see a decline in church attendance because of this but I say to you My church will be saved and I will not allow satan to destroy it.

I want to speak about the evils of modernism that have entered into My church sanctuary. Please live your lives for the Glory of God and not by your own doctrine. Man has become his own sanctuary while I have been placed to the side. Modernism has taken over much of the church and you My children have fallen into its grip. You have forgotten My most treasured traditions and have allowed praise to My priest instead of praise to Me your Jesus. The Sacrament of Matrimony is a holy covenant of God between man and woman, it is not respected and is seen as entertainment instead of purity and love between a husband and wife. The Latin Rite has been mocked and placed outside of the true faith for the Latin Mass is My Holy Mass and I will reinstate this rite to all My churches. I will bring back My traditions from long ago and My people will once again respect the House of the Lord, for I will establish a holy sanctuary of God. This My children is My Will that all humanity come back to the true church and with My priest sons adhering to the true teachings of the church. The East and West will become One in My Will and My Kingdom will come to fulfillment, for I am with you always.
