Remembrance of Me.

We are one, My Mother and I are one. We proclaim the gospel – We are one. Do not judge by appearance, only listen with the silence of the heart and you will know all that I wish to give you.

Today children was the beginning of the building of My church. Yes, the structure, and its foundation, the place where it began by My walk with the apostles and each of you, all those who believe in Me, and worship Me are part of the building of My church, just as I walked the earth with My apostles 2,000 years ago. Children your walk with Me begins at Passover, Holy Thursday, as you reenact My acts with the apostles. You are there with Me at the last supper.

Do you understand the importance of this?

Now relish this moment and contemplate this hour as you take your place with Me at the table, just as the apostles are seated. This moment you gaze upon the things around you, vessels filled with wine and clay serving dishes with herbs and bread and seeing the attentiveness of each apostle listening with their hearts as they are united with a gaze of love. Feel the moment children, step out in faith and begin to take in all I give you.

***"I will wash my hands in innocence so that I may process around your altar, Lord,
To hear the sound of thanksgiving, and recount all your wondrous deeds.
Lord, I love the refuge of your house,
the site of the dwelling-place of your glory."
— Psalm 26:6-8***

This evening the supper is ready for all My children to partake in this sacrificial meal of bread and wine in **Remembrance of Me**. *I am the way the truth and the life, for no one comes to the Father except*

through Me (John 14:6). You will know Me in the bread I give you, for this is My body given up for you; you will know Me in this wine I give you, for this is My blood given up for you, for this I give to all in **Remembrance of Me.** Today the church has come alive and has become one in My Body and Blood offered in sacrifice for each of you, I say to you take and eat My Body and drink My Blood in **Remembrance of Me, for your eternal life is given through My Body and Blood.** The Crucifixion of My body will always be a representation of My passion and death, a lasting icon of an offering for all of you. Do not fear for I will be coming to show you the way, the truth and the Light of My Will in My Resurrection, for I am the Hope of the world in this hour of darkness and the light of My Divine Will is going to awaken your souls, so be vigilant children preparing the way for all My children to enter the kingdom. I will be your God, and you will be My children of truth bringing forth the Kingdom of My Will on earth as it is in Heaven. I am with you always.

All for you.

Today children you will hear words of My Passion. I came into the world so I may live and die for you. I live now in the hearts of those who wish to carry Me.

Believe children that today is the great sacrifice that God the Father prepared for His children to be set free. Yes, I AM THE SACRIFICE OF THIS GREAT ACT OF LOVE. You My children are being Redeemed by the blood of the Lamb. You are being set free from eternal death, you are the children of God; His children of the light and all those who wish to be freed as well must deny the darkness and enter into the light of Christ. I AM THE ONLY SON OF THE LIVING GOD. I AM THE ONE WHO WAS BORN TO DIE FOR YOU, MY PASSION AND DEATH WAS A JOURNEY OF LIFE ETERNAL FOR YOU.

Now let us take this journey together and I will explain, for the cross was My eternal companion in life, I was given the cross from the Father so that He would be glorified in Me. I was given each one of you to be laid upon the cross with Me, so that I would carry your sins in an act of sacrifice to be given restitution as in atonement for your sins - now I have redeemed the world. Each act you do in Me we do it together, each course of action you attempt we attempt it together. Each time you sin you will need to confess your sin to restore your sanctifying grace, but you will still have to amend the act of the sin committed in an act of reparation. Our acts in the Divine Will can and will be a part of reparation for all humanity. The sins of man weighed down My cross, the sins of man were destroying the earth, and the sins of man have been redeemed as I was offered as the sacrifice.

***What do you have to offer?
A love for Me and or a love for your neighbor in acts of reparation?***

On this day, My wounds were many, for My hands and feet were pierced by nails and My side opened by a lance which pierced My heart for you; at this hour man had denied God, but through My cross and resurrection I have redeemed the world. During My Passion I cried out ***Father forgive them for they know not what they do*** and the Father responded with love, by allowing Me to suffocate in

love for you. We are one, and the sacrifice was for the Glory of the Father, all for you His Children that you may be saved from eternal damnation. ***Place yourself on the cross and make an act of reparation for Me and you will be given the grace to atone for the many sins of mankind. Acts of My passion done in the Divine Will are in recompense for sins of another, it becomes an offering of love for you and for the stranger along the way – this atones for many sins just as I have atoned for sins in the past by My death and resurrection and now your sins in the present moment need to be atoned. Listen contently and offer yourself as I did on the cross.***

My son John the apostle consoled My Mother as She wept tears with a heart full of great sorrow and anguish as she clutched the ground. I gave you My Mother for Her to comfort each of you during your sorrows and lead you to Me, the Eternal Son. I call out to you through Her with My grace, listen to My Mother for She will lead you to Me. My Passion and death were the eternal sacrifice of love for each of you to be My bride – to be My love, becoming everything to Me and to know that I paid a great price for each of you. My suffering was out of love for you and there is a place that awaits each of you when I call you home to be with Me for all eternity. ***The Hours of My Passion have left an indelible mark on mankind in history in Remembrance of Me, for I offered all for you and I will be forever within your heart for all who meditate on My Passion in Remembrance of Me.*** I am with you always.

Matthew 16:16-17 Simon Peter said in reply, "You are the Messiah, the Son of the living God." Jesus said to him in reply, "Blessed are you, Simon son of Jonah. For flesh and blood has not revealed this to you, but my heavenly Father.

The Crucified One has risen.

Today child My heart beats with a love for you and all humanity and it is open to the Risen Christ, Jesus My Son. I am here with you, believe and know that Your Father speaks with joy.

Today the Christ – My Son has risen and has conquered death, begin this day contemplating on all My Son has done for you, all that He suffered and all that He gave to you through Me Your Father. I am the One True God whose Son was offered in sacrifice for you – He was and is the True Lamb of God. Behold I give you My Son who prepares the way for your salvation. I am a God of Love and a God of Mercy. I have shown great Mercy to you through My Son, remember this, for it is through the Son that you must come to embrace the Father, all for the Kingdom. I am the Father, the Son is the Word made Flesh the living image of God, and you My children are heirs to My Kingdom - come follow Me as you follow the Savior – My Son Jesus. I am the living God your Creator

of all things and will be with you always till the end of time. Go in peace.

John 12:46 I came into the world as light, so that everyone who believes in me might not remain in darkness.

Today I will speak about the world, the things around it and what will become of it, I am with you let us begin with an I love you and an Our Father...

Choose the Light.

My precious ones it is Jesus, I speak to you today with an I love you and I am with you. No one loves you as I do and I come to bring news of My love and comfort for what is going to take place in the world. ***The Father has given Me authority over heaven and earth; He has given Me the right to endure all for the universe and live for humanity. I speak as a Son of the Father and as God to My creation. You are My children who walk in the light, and I desire for you to bring Me prayers for all humanity, especially those who are in the dark, these are the souls who refuse My Will and refuse My love, for they only serve self and desire sin. They are not children of the light; they are children of the night who live in the dark. The world is going through a cleansing, and I ask for your prayers and acts of My Will for these children, so they may accept the call of faith believing in a God of mercy and love. If these children of the night do not repent and turn from the darkness, they may be lost forever. Yes, a complete loss of God in eternal damnation. I am bringing justice and the sinner needs conversion. Your prayers and acts in the Divine Will are helping humanity, as they are contemplating My existence and denouncing self to choose Me, for there are many souls who need Me.*** Watch and you will see the hand of God upon the earth, for this justice I speak of is coming and together we will help humanity come to the precipice of eternal salvation, for they must repent so they will not receive eternal damnation. The outcome will be glorious for the ones who believe in My love and devastating for those who do not, these are the nonbelievers and those who reject the light of Christ. I trust in the one whom has sent Me, for He is the Father of all mankind and He waits for His children to return.

Today I tell you that the waiting will be over soon and mankind will be placed in a hold of Justice, so no one will escape, for the days of America and the world are about to tip the scale of Justice. Those who have obstructed the laws of God and man are like a school of fish who are swimming around in the water neck to neck just following one another not knowing that they about to be caught up in the fisherman's net. The fisherman is the one who upholds God's law and places justice upon them by lowering the net as the he pulls the fish into the boat. Yes, the fisherman is the one who seeks justice and the school of fish are the people who have been placed in the hands of justice. ***These are criminals and evils doers who have broken the law and sinned against God, creating evil acts against humanity, for they are about to meet God's hand of justice, for you My people have been waiting and now all will be exposed. Children you are the light of the world and as long as you continue to carry Me in your hearts your light will never go out. Be little always in the way of My love and I will pour out My love for all mankind through you, and the one who loves will always be a light to mankind in this hour of darkness. I am with you always.***

1 Peter 3:14-15 But even if you should suffer because of righteousness, blessed are you. Do not be afraid or terrified with fear of them but sanctify Christ as Lord in your hearts.

Let us begin with an I love you and an Our Father..

The cage.

Today I will speak about cages. ***Do you know what a cage is used for?*** It is an area where something is enclosed in; a structure that holds or conceals something or someone and is used to confine or hold someone against one's will. I want to emphasize that a cage can be used for good or bad intentions. Let us focus on the good for a moment. Animals that are a danger to humans are kept in cages for their protection. If an animal is hostile, it is best to keep it caged, as to protect an individual from getting hurt. Also, humans that have obstructed the law and are deemed a threat to others are also caged by being put behind bars. This is an example of a consequence to sin when human beings hurt, kill or steal are then placed in jail and caged. I say this to you so you will understand the importance of what a cage is used for. ***Now let us focus on the bad, many of My people are being held against their will because of their Christian beliefs, for in the past My Jewish people were exiled, persecuted, imprisoned and even exterminated for their belief in God. The faithful always suffer for righteousness's sake, for love of God.*** I am telling you this to remind you of the early Christians who were also arrested for My sake, while proclaiming the Gospel. This very day there are many who are persecuted and brutalized worshiping their God, Jesus Christ.

I am the way the truth and the light, all those who follow Me will be a light in this world and receive salvation. This cage that I speak of is also used by religious and political leaders to quell or silence anyone who speaks the truth or comes against their ideologies. I have the key to set you free, and that is Me the Son of the living God. Fear not for they may kill the flesh but not your spirit (Matthew 10:28). I will keep all My children in My heart, and you will see the face of your God. ***How many will speak the truth for love of Me, even if it means persecution and death?*** I want you to understand there is persecution of many going on in this generation and more in the future. Be ready to accept the cross of persecution, even if it means being imprisoned and put to death for My sake, just remember I am with you always.

Psalms 19:14 Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my redeemer.

Let us begin with an I love you and an Our Father..

The Chain.

My children I am with you, it is I Jesus, let us begin our day with love towards the Father, for He is the Creator and the One True God.

Today I will speak about the chain. ***What is a chain?*** It is made of metal material and is created in links that connect to one another to form a chain. This chain can be made with very light weight materials like precious gold or silver and even simple steel, for these chains are used for one to decorate themselves. A chain can also be made with heavy metal so as to be strong and used for many things

like lifting or pulling heavy objects and even used to bind someone. These are examples of a chain, but today ***I am going to speak about a chain that is bound together out of love, for this is My Rosary of love. This chain was forged as a result of man's sins. I say this because it is out of the sin of man that this chain of love was created to help My children and bind satan, freeing souls from sin and bringing about peace to all mankind. This rosary symbolizes My acts in life, yes, for each bead represents an act in My Divine life. When you recite the Rosary while meditating on the mysteries of My life you are bringing that act of My life to the present in the Divine Will and with each Hail Mary you are contemplating My acts with My Mother's in the Divine Will. Meditate on My acts as I did when I walked the earth, for they are all divine because they were done in and with the Will of the Father, for I want to emphasize the importance of this...***

(Vision: I am shown the earth from a distance in space and as I am drawn closer, I see a large chain, a rosary chain wrapped around the earth, connected from one end to the other, there is a continuous link.)

The Catholic Mass My children represents a continuous act in the Divine Will and so does the Holy Rosary when prayed with a heart full of love for God. When the sacrifice of the Mass is offered anywhere in the world it is a continuous offering of love, and the Rosary, My children when prayed anywhere in the world is also a continuous supplication of love. Both the Mass and the Rosary contain grace for humanity. The prayers of the faithful offered for the souls in Purgatory and living on earth are helping mankind receive grace through the heart of My Mother in this Rosary chain of love. The vision I have given is a reminder that your prayers through the Rosary done in the Divine Will are holding the earth in grace for the Kingdom to come. Children, when everything is done in the Divine Will all will receive because these acts done in My Will are infinite never-ending graces for humanity. The Mass is offered in Remembrance of Me for all humanity as a sacrifice to the Father for humanity and the prayers of the faithful are used to help humanity along the way. I want My children to know how blessed you truly are, living in this age where the Divine Will has been made known to mankind through My little newborn Luisa the daughter of the Divine Will.

Again, this chain I speak of will also allow Me to bind evil, yes, satan and the demons will be bound by this chain. The Rosary chain is like a ***cincture*** that My priests wear representing chastity, purity and spiritual watchfulness – as to gird your loins. This My children is one of the acts I gave My priests and that is a purity of heart. ***No man can enter the kingdom without a pure heart – he enters in a state of grace.*** The Rosary is what all My priests need to be pure of heart and also for protection against the wiles of the enemy. ***O how I desire My priests to be consecrated to My Mother and what unfathomable grace would they obtain, for the earth would be full of grace.***

My children it is you who please My Mother in your Rosary acts; continue them, for the world is on the precipice of being knocked off its axis, but My Mother's Rosary is keeping it on course. Be vigilant and continue your prayers with this chain of love all for love of God and humanity. I am with you always.
