***Zechariah 9:3-4 Tyre has built itself a rampart, and heaped up silver like dust, and gold like the dirt of the streets. But now, the Lord will strip it of its possessions...***

Let us begin with an I love you and an Our Father...

Tyre the city of old.

***Do you know where Tyre is located?*** My children Tyre is an ancient city in Phoenicia where the Phoenicians settled and is called "*the city of the unrepentant.*" I speak of this today to warn you, as your cities are also on the verge of becoming unrepentant. I came to save the sinner, and you must realize cities house many people with a sinful lifestyle – so few are following the path of Christ and so many are living in sin as their own desire. One must be pure of heart to enter into the kingdom, and I will purify many. ***The Phoenicians were people of great wealth and greed; they worked and lived for money and influence. These same people are the ones who established a one world order and their descendants are the elite families that desired control by their oath to satan serving self in sin as they established a bond between families to build an empire of evil to control the world. These same families have been in power for many, many years and they feed off of each other's pride, greed and control. These families are now being dismantled by your President and his aids. Yes – My hand of grace is allowing this to be.*** The money, wealth and influence are now being distributed into the hands of those who respect human life. I will conquer all evil. My son President Trump is allowing America to see its true colors of corruption, so the American people will see truth. Believe and know I am God. Your Father has built the kingdom of the Divine Will and it is about to be revealed to those closest and most faithful to Him, His Children of the Divine Will.

***Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you (Isaiah 41:10). The one called Joseph, your spiritual father, is there to help you. He has been hidden but will now emerge to help My people. Pray to St. Joseph, for he will instruct the pure of heart. Joseph is the example for the head of the household – a true man of God for the family. I will pour out special graces to all families through St. Joseph where he is honored – pray to him for your family. I will call all to My heart through St. Joseph.***

This morning hour I have revealed many things to you and more will be revealed soon. Pray and discern. The gift of the Divine Will is the greatest gift I have given humanity through My little Luisa. Please pray to Luisa as well. Do not be afraid to stand up for your faith during these times of persecution, for I am with you always.

***Isaiah 54:10 For the mountains may depart and the hills be removed, but my steadfast love shall not depart from you, and my covenant of peace shall not be removed," says the Lord, who has compassion on you.***

#### Miracle of Peace

Today children My heart is open to you with love. This love has penetrated all of humanity and given to you by the Father, We have penetrated this love to you at the time of your creation and you became a creature of God and by your free-will you were given choice. Yes, you were created as a reflection of the living God but by your original sin you became flawed and separated from God's grace. It is through baptism that you became a child of God. ***My children I am giving you the opportunity to give Me your free-will in exchange for the Divine Will, so you can live a life fully in My Will and everything you give back will become My Will in you. This was Adam's great gift of living in the Will of God and was always meant for humanity, but sin entered in, and the gift was lost and taken from mankind. Now My children you have been given another opportunity to encompass My Will as yours. By embracing this great gift together We will build the kingdom.*** Luisa was the creature I chose to bring My Will to fulfillment in this age of humanity; she is the newborn of My Divine Will. Together with Luisa We will accomplish all for the Father to Glorify Him. You My children are like the stars in the night sky that make up the celestial universe by your acts in the Divine Will. As you begin your acts each day pray,

***"Jesus, I love you, thank you for living and breathing your life in me, so all may have a chance of Redemption and live a life in Sanctification. I am nothing and you are everything. I love you."*** And know that this pleases Me greatly, for all that you do for Me you do for the Father.

There are many in the world who do not know My Divine Will. Now is the time to bring forth this great gift. I want you to evangelize My Will. Yes, children let all humanity know of this great gift, it's through My Mother who will help and be the navigator in your journey of the Divine Will. Just ask Her to assist you in spreading this gift and She will. My Mother who has been with Me from the beginning has the grace that I generate through, She is used as a mentor, teacher and full of love for the Son of God. My Mother is the one whom I chose to begin this work with Me and She is one with Me – the Mediatrix – the Co-Redemptrix – and yes, She is a Mother to you as well. I will explain why the Church does not accept this title; they do not want to draw more attention to Her than to Me. I say She is everything to Me and I want Her to be everything to you. A time is coming in the future when she will be declared the Mediatrix and Co-Redemptrix by the Church, this will be when the world turns to Her in dire need to escape the wrath of God. Her hands will touch the heart of the Church to shield and save many from the great persecution to come. This will result in the Great Miracle of Peace – perpetuated by My Mother of Mercy - the Church will then grant Her the title and know that Her love for you is great.

My children be at peace and know that I will help you in your trials, live your Catholic faith and receive the Sacraments. I want you to live a life full of love so mankind will come to know Me through you. I am with you always.

***Proverbs 3:5-6 Trust in the LORD with all thine heart; and lean not on thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.***

Let us begin with an I love you and an Our Father...

The Moor.

The Moor is a place in Northern England, a place where My people lived and fought over the centuries that still exist to this day. You must understand history has its importance and significance, because you can learn from your past mistakes. I am telling you this to make you aware of its presence in this era. I used My people of old to bring forth many important strategies that impacted society at the time of certain events for the purpose of teaching and letting My children learn their lesson from falling away from their faith. We will use England as an example in history. The Moors is where a great war was fought over the alignment of men wanting power over God's power. You will see that war is not a solution, but man chooses war to conquer and control. The king directed and ruled over the people. The parliament wanted to takeover that kingship and both parties believed that they had a "divine right" – God's right to rule and make decisions, but man wanted to control it. The result was that they both did not turn to God for "divine direction." ***Do you understand what is wrong with this My children? Do you see that both sides disagree because they chose to direct themselves in an act of defiance resulting in war, instead of seeking Heaven's advice?*** This My children is the result of man's pride. You must understand that without God's direction there can be no peace, only war. I want My people to come to Me for their direction and guidance so I may lead accordingly, following My Will is the answer. Pray and discern all your actions then you will be able to discern the path and direction I want for you to follow.

***Your president Trump is following My direction; I am helping him. Do not judge and continue to pray for his heavenly guidance. Pray for your Pope, he needs Me as well. The two, Trump and Leo will come together to meet, and this will be a relationship that I will guide. They will become confidantes and a friendship will develop, for they will help humanity and prepare for My return. I am with you always. Jesus Your Crucified King †***

***By faith we understand that the universe was ordered by the word of God,  
so that what is visible came into being through the invisible.  
Hebrews 11:3***

The Craft.

My children as you have celebrated Thanksgiving let your hearts be thankful for the gift of life and the gift of being a child of God. I want to speak about ***the craft***. I am referring to a very large capsule that carries beings from other planets in space – it is something that houses or encloses something to

transport is contents as it travels through the galaxy or outer space. ***This large capsule can be called a spacecraft and is bringing to your planet earth other extraterrestrial beings of God's creation that will eventually enter into your atmosphere to make contact and communicate with the earth and its human race. No fear – Trust God for I am in control of all things.*** You must be aware of the other entities and creatures that are out and around the galaxy of space and time in other dimensions. This large spacecraft is carrying many individual creatures that are going to allow themselves to be known, and they will bring a message of peace and a message of warning to the human race that man must not use any type of nuclear weapons in war, in order to rescue and save the planet from total destruction and extinction. ***There are many humans who do not believe in beings from other planets, but they exist. Now there is also a race of beings that are evil because they have turned away from their Creator and they have established their own colony and race of beings that have rejected the laws of nature that are of the Eternal God. These evil beings desire to destroy mankind and war against God. Be aware My children that not all of these beings that exist are in the light of their Creator.***

There will be many changes in the earth's structure to prepare for My coming and you must be open to their arrival and act in accordance of peace. I want My children to know there are other forms of life that God created out there in the universe. My human race is the one creation that is My true love, for the Father created man in His own image, *"So God created man in his own image; in the image of God he created him"* (Genesis 1:27) and *"He so loved the world that he gave his only begotten Son, so that everyone who believes in him might not perish but might have eternal life"* (John 3:16). I am the Son of the living God who created the universe and its contents. We, the Father, Son and Holy Spirit are with you My children, believe.

My children your New Year will bring great change to the world, the coming 2026 will be a year of transformation ***physically & spiritually*** – be alert and do not let your hearts be troubled - TRUST IN THE LORD YOUR GOD. I want you to know that these other celestial beings do exist and that they will make themselves known to mankind very soon, I am with you always.
