Revelation 2:10 Do not be afraid of anything that you are going to suffer. Indeed, the devil will throw some of you into prison, that you may be tested...

Let us begin with an I love you and an Our Father...

The Cell.

Daughter, I am showing you a vision of your Jesus sitting in a jail cell, for I want to tell you the importance of speaking truth and its consequences for being a follower of Christ.

This morning My daughter I will speak on the importance of being A TRUE CHRISTIAN and what it means to speak My truth. I will begin by telling you that most people will not speak in truth, for most people cannot speak things that are true, they only state what suits their delight in being right and not submitting to My truth, for these are the people who follow self and not God. There is a great importance in speaking truth, and one must be honest if you are to be a follower of Christ. I have given mankind the Holy Spirit to be always activated – My Spirit flows within the soul and the Holy Spirit will initiate all things in Christ, your inspiration, thoughts and actions, making Me

alive within the soul. If you are walking with Me you have the Holy Spirit within you – but if a soul falls from grace and does not repent the Holy Spirit becomes silent, distant in its actions with the soul. As you repent, confessing your sins and turn back to your loving relationship with Me, the Holy Spirit is ignited once more, dwelling alive again in the soul.

Now the cell refers to the TRUE CHRISTIAN and their testimony of faith. You as a Christian who walk in truth will be tested as fire, for do not fear what you are about to suffer – you will be persecuted and thrown in prison for My sake, but those who persevere will be set free by My truth. Do not fear anything for all will be given to sustain you and give you life. I will pour out My Spirit upon you, for it is I who will speak through you and I will be with you as you are tested. Nothing will harm you, but the one who has chosen self and the world will not withstand the trails. Be on guard and place yourself always in My Will and all will be given accordingly. These moments in time I speak of are on the horizon for many, but first My children My Warning, the illumination of the soul will come.

Be prepared always keep your soul awakened by being in a state of grace and teach others that I am alive in the soul who believes in Me and the one who truly follows My commandments. Children consider the days that you are living for time is short for all humanity. I am with you always.

Romans 13:1 Everyone is to obey the governing authorities, because there is no authority except from God and so whatever authorities exist have been appointed by God.

Let us begin with an I love you and an Our Father...

The Congress.

I want to institute a congress of My love not just laws. ***What is a congress?*** A group of people instituted by governmental officials to form an acting congressional group of people that establish liberty and justice by laws in your country founded on God. That is the original purpose but is not so now, only bribery, construed lies and manipulation hinder the truth and obstruct the law of the land. ***This is going to change for I will establish a new congress that will be implemented with a love for God and a renewed covenant with My people of the United States of America. You will know the difference because it will be from the Heart of God. Yes, from My Sacred Heart, for I have given America a portion of My Heart upon this consecration. Today on this feast of My Sacred Heart, you will be blessed in abundance for your rededication to Me. I will pour out My blessings to all who honor and respect My laws and have given your lives to Me, mercy will be given.***

Romans 13:2 So anyone who disobeys an authority is rebelling against God's ordinance; and rebels must expect to receive the condemnation they deserve.

I will rebuild this land, but first I must knock down and rid your land of the evil that has been imbedded and this applies to the congress who have implemented their tyrannical laws and infested the land with evil. All those who have had their hands in immoral acts will be brought down and if they seek mercy from Me, mercy will be given and if they do not justice will prevail. ***Pray for your America, "where sin abounds, grace abounds much more" (Romans 5:20) and I will pour out My mercy.***

Today the wheels of justice are set in motion and soon evil will be eradicated. Please recite a Hail Mary for each one of your congress men and women, so My Mercy will be given. Much cleansing needs to be done. I am with you always.

Psalms 51:10 Create in me a clean heart, O God, and renew a right spirit within me.

Let us begin with an I love you and an Our Father...

A Heart Created for You.

Today we will talk about the heart. There are 4 chambers within the heart – 2 chambers are at the top and 2 at the bottom, all have a purpose and these chambers contain tissue and muscle for the heart to operate and contain the life of the soul within its heartbeat, as the blood circulates. ***The word heart comes from the Latin word "cor" and represents the inner being – like one's soul and is an organ in the human body. The heart that God created is for each of you to live and breathe as a human being and it gives you spiritual life as well. Many of My children have hardened hearts to where they do not express any emotion, no love towards anyone or anything because of their lack of faith in a living God. The heart is an important physical organ in***

the body, for every living creature has a heart in order to live and breathe. If a creature does not have a heart they cannot have life. Your body needs a beating heart to function, and everything operates as a result of your living heart.

God the Father, the Creator endowed you with a heart in order to give you life. The heart has a special place as well in the center of your chest cavity and there is where all things of God enter. Yes, the voice of God in the silence of your heart allows ***God to speak to His beloved, for you are My beloved children. I place Myself in the heart of the soul where I can speak and My spirit resides. It is in the heart where My Spirit dwells to help the soul in all their acts. This special organ is everything the soul needs to be in tune with its Triune God. The Holy Spirit dispenses the graces into the heart of the soul and when the heart is clean of sin it obtains a purity of heart, for our hearts become one. My children do you understand the importance of a pure heart, for this is the essence of My love given to you.*** Please continue your walk with Me having a purity of heart, by taking time to make a well contemplated confession – meaning prepare for your meeting with the priest, by prayer and a fast, asking the Holy Spirit to reveal your sinfulness to help recognize your faults. A well-prepared confession will help you achieve purity of heart. I want all to receive My bountiful grace, for the heart is where I dwell. Remember always make your heart like unto Mine. I am with you always.

Deuteronomy 18:10-12 ...anyone who practices divination or tells fortunes or interprets omens, or a sorcerer or a charmer or a medium or a necromancer or one who inquires of the dead, for whoever does these things is an abomination to the Lord. And because of these abominations the Lord your God is driving them out before you.

Let us begin with an I love you and an Our Father...

Physical and Spiritual Realm.

Today children I will speak about your secular world. Everything that you see and act in the secular world has physical dimension with no religious or spiritual foundation. The spiritual world is interdimensional in which beings or things travel between different dimensions of space. These beings can travel from one dimension to another taking form in the physical realm and is seen by many as spiritual beings contacting humans. I want to emphasize that each encounter with the spiritual realm affects the physical realm. So, you must be cautious as to not allow evil entities to enter the physical realm for these two dimensions were separated for a reason. Your daily interaction with other human beings also affects your spiritual lives – I am referring to sins against another living person which is also a sin against God, so everything you do has consequence. When people live a secular life with no consequence that affects every part of their spiritual life.

Let us reflect on those who interact with the demons in the spiritual realm for this may be a curious act at first, but it becomes evil as the encounter opens the door for demons to manifest negative energy into the physical realm. This act of calling on the demonic is a sin against God and will affect the human person and others. You cannot call on the spiritual darkness for your aid, for this will manifest into something you think is good, but it is evil, masked to deceive the individual and cause harm and these entities do not belong in this realm. I am warning My children, there are many humans in this physical world who

are embodied by evil entities and are causing havoc in sin and death to many souls. This secular world is in a physical dimension that you inhabit for a reason. Do not allow the dark spiritual entities to enter, for when humans engage in the occult, they encounter these entities and become an abomination to God the Creator.

Mother Mary has the power to defend and defeat this dark enemy. Call on Her, call on the angels and call on the saints – they are there for you, for the heavenly realm is of God, bringing, love, peace and unity in My Will. I love you My children and I am here for you. I will stress again that what you do in your secular lives reflects the spiritual. Your acts need to always focus on loving and serving God, giving yourself fully out of love to God first and then your neighbor. This My children is pleasing to God and will affect everything you will receive in the spiritual life. When God is glorified in all your acts it brings peace, joy, love and unity always; and the enemy cannot disturb you because your acts bring forth the Kingdom of God. The spiritual life that awaits you is everything you have lived for in the physical. If there is No Peace – No Love – No Unity and No Mercy in the physical, then your afterlife in the spiritual will be dark. Choose wisely, Heaven or Hell, for your actions on earth should reflect the love of God. I am with you Always.

Reflection:

Let us reflect on our actions, if we consider the secular life without God what do we gain, for God wants us to know Him and love him. He created each of us for a purpose and that is to Glorify God in everything we do, so let us turn away from our sinful ways and into the loving arms of Christ. God will embrace us and will show us mercy, as we accept Jesus as our Lord and Savior.
