Proverbs 4:23 Keep your heart with all vigilance; for from it flows the springs of life.

Let us begin with an I love you and an Our Father..

The Gate.

What is a gate used for My children? It is to keep you in or out of a specific area. This gate I will speak of allows one to enter or leave an enclosed area.

This gate My children is important because anyone or anything can enter in through this gate to take My sheep away or harm them, even leading them astray. You must understand that this gate is like any entry into the heart of the soul and can be opened to other things other than God, it can lead you away from My truth. You must keep this gate to your heart closed to the things of the world that are causing you to sin and only allow the gate to be open to holy things of God. ***My love is what I want you to be open to and faith in Me. My teachings of the faith will allow you to live in My Will and allow you to love, always loving God and your neighbor. But when you leave the gate open you are vulnerable to the enemy which can cause you to sin and harm your soul, taking everything away from the shepherd. I am the Shepherd, as are My priests who have been given authority over My church, for they too need to be cautious and not leave the gate to their soul open to the ways of the world and sin. I say this to remind you that the shepherds who represent Me are there to lead and protect My sheep. I want you My sheep, to know that your faith will keep you alive and well when you are obedient to My shepherds and when you keep yourself within My church, not leaving through the gate. This My children has been the case for many of My children who have been led astray and left the Catholic Church – they have not kept the gate to their heart which leads to the soul protected allowing other influences to lure them away from My true Church even becoming excommunicated, for I have not left them for they have left Me. My sheep that have gone astray please pray for them.***

This is what I want to leave you with – My sheep the ones who truly love Me and live the true faith, hear My voice, but those who do not love Me and do not live the true faith, hear only the voice of the world, for ***"No one can serve two masters" (Matthew 6:24)***. Pray for My sheep who have left My Church and pray for My shepherds to go and find them to bring them back to My church. I want all My children in My flock and do not desire one to be lost. I am with you always.

Ecclesiastes 12:14: For God will bring every deed into judgment, including every hidden thing, whether it is good or evil.

Let us begin with an I love you and an Our Father..

The Spiritual Encounter.

Today I will speak on the world and the chaos to come. You have been chosen to live in this era, a generation given the opportunity in life to be part of the coming of the Kingdom. You are My spiritual children but there are those who do not realize they are also part of the greater picture in attaining Divine intervention for humanity. These are the ones who only see themselves as important and no one else. You see many children are distracted by the world and have chosen evil over doing good – meaning they have no time for worship or prayer only time for the world and giving themselves delights and pleasures, always self-seeking. Yes, pride is the one thing that fuels their self-centered acts. I want to emphasize that these children will be very shocked and surprised when they realize that their time is up. Yes, meaning they will have to face their Creator and give an account of their actions, for many will not survive this reveal of self.

Those who will face death with no life in their body, only their soul will have accountability to deal with as well, for not all will be able to survive their spiritual encounter with God. You My children who know and love Me will be able to walk in truth and live a life for Me in the Kingdom I bring forth. Do not be sorrowful or afraid for your family members, relatives or friends whose life is taken, for it is their time. Know that My grace is never-ending and great torrents of mercy flow from My heart to all humanity. Remember every human being has free will to accept or deny their God and sadly, there are many who will refuse Me because they have chosen the world and sin over their True God. I have given humanity many opportunities to freely surrender to My love and I will always accept them if they submit to Me. Those of humanity who love Me will be able to build this kingdom of love, always acting with love. Be ready for time is short My children, prepare yourselves for accountability of your acts done on earth. ***Are you ready to see your heart and see your acts?*** Then begin by reflecting on your past and present, preparing for your future. I love My children and I am with you always.

Deuteronomy 28:7 The Lord shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way and flee before thee seven ways.

The Tools.

Children today I bring you the tools needed to defeat the enemy of God.

- ***First, always begin with an I love you to God, this will signify that our hearts are united by love.***
- ***Second, do not let the enemy deceive you, be prepared, always be on guard as you depend solely on God for everything, letting no man deceive you by the snares of the enemy. Place total trust in God alone – I AM THE WAY.***
- ***Third, prepare each day with prayer – staying united in pray forms the soul, and forms a barrier of protection. This act of prayer always keeps you safe, united in communion with God.***

- ***Fourth, belief – have faith in your God and no matter what circumstance you are going through know that God will always be with you through it all.***
- ***Fifth, Faith in the Catholic teachings – if you practice your faith and walk in the light of the true teachings of the faith everything you were given will be your armor against all things.***
- ***Sixth, do not let the enemy know your weakness – meaning always be firm in your acts in My Will, for with Me we will accomplish all things together, and we will win the fight for souls.***
- ***Seventh, I am asking all My children to consecrate themselves to the Heart of My Mother where grace flows, for there you will always have victory over the enemy and those who come against the faith and the life of My Church. My Mother will be victorious in Her bringing My children back to the Catholic Faith. This My children is the true Church, One Holy Catholic and Apostolic Faith.***

These tools are essential in obtaining victory over the enemy and accomplishing My desire for each of you. I your God am with you in all your acts as you are fused in My Divine Will. My Mother has been given the power – all grace - to defeat the enemy; She reflects My Will totally and that is why the enemy cannot bear to look upon Her, for this reflection radiates the One Triune God. My Mother's purity and love for God is total opposite of the enemy, and She is the One who will crush the head of the enemy. This consecration is one of the most powerful tools I bestow in that those who have devotion and love for My Mother will never be without, always there protecting and leading Her children towards God. Safety lies in Her by bringing you away from sin and danger while leading you into the light of God's grace. I am with you always.

Galatians 5:13 For you were called to freedom, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another.

Let us begin with an I love you and an Our Father..

The Box.

I am going to explain to you about the box – the freedom box. This My children was implemented so individuals would have the freedom to choose whom they desire to direct the law of the people. This device was created to elect government officials by the vote of the people. Now I want you to understand everything has a purpose and everything that becomes tainted or corrupt loses its practical purpose. This method of voting at the ballot box has given you choice so people were able to freely delegate their opinions and views freely. Now your electronic voting system of modern time is just another weapon used against the American people to control and corrupt the political system – manipulating your laws – controlling your finances and of course to subjugate your true freedom. The man you have chosen to be your President is Donald J Trump, but remember when ***the people humble themselves, pray, seek My face, and turn from their wicked ways, I will hear from heaven, forgive their sins, and heal their land (Chronicles 7:14)***. I will always intervene to establish a way of truth, and this President is of Me, for he is directed by truth. This man is not a saint,

but a man whose heart is in tune with its Creator and believes, allowing him to choose morally, for Trump is the one whom I direct. ***I am telling you My children so you will understand the importance of prayer and always acting in My Will. Your freedom of choice remains within the ballot box, it is your option to vote to restore your republic. I say to you this man carries My mantle, he and his administration are the right and prudent choice for leading your country. Vote as you see morally correct, value your freedom and your God first in everything, for I will direct you. I am with you always.***

Leviticus 17:11 For the life of all flesh is found in its blood. I have given it to you to make atonement for your lives upon the altar, because it is the blood, as life, that makes atonement.

Life Offering.

Today children I want to speak of My Church and the significance of its spiritual contents, the great importance of its teachings and the purity of My Love for all peoples. I want you to meditate on My Passion, for this formed My Church – the Passion resonates throughout history and is a significant act of My Will in the Church. ***You ask why My Passion?*** This specific act of My life and death signifies the formation and eternal life of My Church, it begins with My birth, then as I walked the earth gathering My apostles, manifesting the Father's grace through many miracles, until I was left alone in the garden and betrayed by Judas, who led the soldiers to the garden who brought Me before Pilate to be condemned to death. The suffering I endured in My Passion was for all humanity and this was a life offering for each of you. So, when you meditate on My Passion this allows the suffering of others to be eased and for souls to be saved from damnation. We can do this together – I want to emphasize that My true Church meditates and reenacts My Passion as its main sequence of events during Mass and every Mass resurrects My Eucharistic life, allowing My body and blood to be offered to the Father, ***for this is My body and blood which is given up for you,*** in exchange for souls, at every Mass throughout the world. I am with you always.
