Mark 4:9 Then Jesus said, Whoever has ears to hear, let them hear."

A cataclysmic event in your lifetime.

I am here My children it is I Jesus incarnate, the word made flesh. I would like to speak to you on the world and its beginnings, the things God has created that are not seen by the human eye and these are things that reflect God's creation. ***I ask, do you know God created the depths of the earth?*** Yes, He created the furrows beneath the ground, the deep caverns and the core of the earth. I am reflecting on this because ***you will experience a great Cataclysmic event in your lifetime. An earthquake of great magnitude will open up and destruction will be the result. The earth has a pattern of cells that are always in movement a 70-year cycle, which comes from the earth's core, and it will open up an underground cavern pushing forth volcanic magma to earth's surface resulting in the earth breaking apart to release pressure. Your underground earth has chambers filled with magma that create fissures forming a volcanic release of pressure built up within the earth. This is so within the land of America as it is with many other lands around the world. I am speaking about a volcanic eruption, this eruption will be in the Midwest, it is the *southeastern part of the state of Missouri.*** There you will find a place where volcanoes once were active, and now they will be active once more, it will come forth and erupt causing a great shaking. This is the original area of great earthquake of the past that caused much death and destruction, for this will erupt again, and you will see even greater destruction in many states across the land. Do not think that this is something only seen in far-off countries, for America you will see this as well.

A plan is in place for this to occur, not a plan by God but an evil plan by man. You will see this destruction as a plan to destroy and divide your country. I say to you America this will be a sign unto you that America is divided as a nation in your words, thoughts and beliefs; spiritually you are divided as well, with those who worship God and those who worship self and satan. Your military will be deployed to assist the American people helping those in critical need. Those that have perpetrated this evil plan will see the effects of their evil intent and will suffer the consequences. The evil planned for America will boomerang on the perpetrators, for they will suffer the effects as well and the evil planned for your country will be put on them – this will expose much death and corruption by those who refuse to turn back to God. The gases and radium rising from the ground will be poisonous when inhaled and will be a toxic death blow where many will die. ***The people who have planned this will be the ones who I have allowed death to as well. Just as the angel of death took the first born of Egypt, so will I take those born of evil intent. You must prepare and be vigilant in prayer because soon after this event the world will be in total chaos. I have said this before REPENT AND TURN FROM YOUR EVIL WAYS.*** All those who wish to submit to the Will of the Father will be taken care of no fear. Trust in the Father's protection.

America, for not everything is a chastisement from God, but I allow humanity in their sinfulness to be used so I may chasten those whom I love. ***Your children and generations to come will call this event "A Day to Remember," I am with you always.***

1 John 1:9 If we acknowledge our sins, he is faithful and just and will forgive our sins and cleanse us from every wrongdoing.

I am here My daughter, fear not for nothing is in vain when done in My Will.

Children, do you understand the importance of prayer? Do you understand that prayer communicates with God and prayer can change all things? I will tell you that My love for you is communicated to you through prayer and that all My graces I want to give comes also through prayer. We, you and I are a community and together in prayer we are making things alive and full of grace in prayer.

When a soul is praying, he or she is seeking God. When a soul is praying and is in a state of sanctifying grace, that is when you have been to Confession and receive absolution, then more grace is fused within the soul. This allows the soul to receive a fullness of My grace and allows a transfer of grace that one can not only receive but can then give or transfer to another person. Now when one has achieved this just think how the soul can use their acts in the Divine Will to multiply graces to many other souls. YES, these acts done in the Divine Will in a state of grace achieve all things for the greater glory of the kingdom to come.

Prayer is an act of love to Me and to you, for We do all things together in the Divine Will. I will use you My children to accomplish My Will in the building the Kingdom. We will accomplish all things for the glory, honor and love of the Father. He will be pleased, and His love will reign. Tomorrow begin your day with an I love you and go to confess for your sins, so your acts will please the Father for His kingdom to come. I want all My children to be part of building this kingdom for the Father. He is the One True God, Creator of All-Mankind and we are His creation. Let us pray and unite all our acts of love for all-mankind.

The days are coming when mankind will be waiting at an hour they do not expect, and then who will be ready? So, children if and when you pray in a state of grace, ***pray with an act of love in the Divine Will for all generations***, this will help save humanity and bring about the Kingdom. I am here waiting for each of you in the confessional – be there for Me in a continual act of love – and I will pour out My grace to you and others in your Acts of Love done in My Will, I am with you always.

Colossians 1:11 May you be made strong with all the strength that comes from his glorious power, and may you be prepared to endure everything with patience.

Man's passion for wealth – I am the wealth for the sinner, not the possession.

I am the wealth for the sinner – I can give to man what nothing else can give, for I am man's salvation – be patient My child in all you do, continue your prayers for the sinner – We will accomplish all things together for the Glory of God the Father.

My children it is I Jesus, I am with you. ***Patience is a virtue***, it is a gift from Heaven, pray with patience and ask for an increase of this grace, ***for the one who has patience wants for nothing in grief***. I am here little ones and the days ahead will be hard for many. The chosen who have been elected for this time will choose wisely in their acts for the coming of the kingdom – one cannot choose wisely if one is not chosen.

I have given you the gift of My Will for this time and season, it is a great gift given to you through My little newborn Luisa. I have chosen her as one with wisdom to teach the little ones, all of you – to become one in My Will. The family that prays together in the Divine Will, will have all their acts unified and multiplied in great proportion for humanity and their Suns will be celestial. You My Sons and Daughters of the Lamb are formed as a family – continue your prayers with rounds and fusing in the Divine Will for the salvation of souls.

On this Good Friday morning children, I chose to be obedient in sacrifice to the Father – I picked up My cross for a sacrifice of giving life for you in a great act of love and I am always obedient to the Father. This life and death moment is an act of My Passion which represents the ultimate sacrifice for humanity. Now I ask each one of you to contemplate the act of picking up your cross and following Me. Children offer your acts of persecutions, your sorrows and your sufferings to Me and I will multiple all these precious acts for the kingdom to come – all for souls.

St. Faustina Diary #324 – "I want your last moments to be completely similar to mine on the cross. There is but one price at which souls are bought, and that is suffering united to My suffering on the cross. Pure love understands these words, carnal love will never understand them." Jesus

This apostolate is a great act of sacrifice because you are offering your acts and prayers for the Redemption of souls, united as a community of love for My Will. I am the Redeemer for souls and your prayers are the acts in My Will given to others so that they may receive Me and be saved. What a beautiful gift I have given you My children, for now is the time for Redemption is at hand. ***Love Me – look to Me – fuse everything in Me***, so I can be united with you in an act of love and Redemption all for souls. These moments in time are like a blink of an eye, but a single act done in My Will is everlasting.

This is the day of My Passion, and I request all to take a moment to think of Me in My last hours on the cross (*a few minutes of silence*) I was crucified on the tree of life so all may receive life, this was My final act of love to the world before I entered into the Kingdom. (*O Jesus let our hearts be crucified with you for all humanity.*)

New life arose from the cross, a tree of life, for I want all to receive this act of life. Children pray the Our Father...

(O Jesus I see new life come forth from where the nail holes were on your cross – it is as a new life, a new branch, a flowering tree that comes forth.)

This is My Will for all humanity, so as they offer the sacrifice of self to Me, I will produce a new beginning, a new life, as the tree of life. My children this brings a New Springtime to humanity, and it brings forth the Kingdom. All I ask is that you submit to My Will – within Luisa and her writings – mimic and mirror Luisa's way according to your vocation. Do this and I will produce a new Will within you – and that is My Will, for I am with you always.

1 Peter 2:9 But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light...

Today daughter, I will speak about the world and its coming together.

I and the Father are One (John 10:30). I created all things; I am the Creator of the Heavens and the Earth. I am the one who controls all the stars and planetary alignments, the movements of the clouds and all things pertaining to the movement on the earth and below the earth. We the Father, Son and Holy Spirit are in control of all. I am here to speak about your celestial heavens and the things above the earth. There will be a great sign in the sky that will appear soon, for this was a message given to the *children of Garabandal; it is the great celestial sign (the Warning) from Heaven to all the earth. This sign will appear after the great cataclysmic event (read April 4, 2025 Message above), after the earth experiences a powerful volcanic earthquake, and this will be a sign unto you that My warning is on the horizon.

Many of My prophecies are now being fulfilled by My prophets, for they have listened to My voice and now fulfillment comes. You My children are living in the greatest time to be alive; it is now in your midst the rebuilding of the kingdom on earth as it is in Heaven. I am giving you children My Divine Will to reign as at the time of creation with Adam. We, you and I will reign in this Kingdom and all will be as before the fall of man. ***You must realize this great gift of My Will with gratitude.*** I see all things in your interior, and I see your disposition,

for I see everything. Please be aware of this and act accordingly, come to Me in the confessional as I will be waiting to hear the outpouring of your heart, and I will be there to direct you.

The Golden age has just begun for the wealth of the sinner is laid up for the righteous (Proverbs 13:22) the people of God, making all things new for the Kingdom. Together We will build these communities of love throughout the world for the betterment of humanity, by teaching the Catholic Faith while learning to live in the Divine Will of God. My Luisa is the matriarch of this great gift of My Divine Will, it is a great instrument of peace, unity and love of God and neighbor, all within the acts of love for God's glory. The Golden age has begun, believe and know that I am always with you.
