Jeremiah 6:16 says, "Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls."

Let us begin with an I love you and an Our Father...

The Bridge.

Today children we will talk about ***the "Bridge"***. ***What is a bridge and how is it used for the good of humanity?*** A bridge is used for connecting two points of a distance, making it one like a road for transportation. There can be a division of water or a deep valley – 2 areas of earth with no ability to connect, so a bridge is used to connect one end to the other. I am telling you this My children that we are at a distance with each other, by My Will, My grace, and faith in Me your God. We will become one by a bridge of Faith, for we become connected when you and I are united by faith – believing in Me your God. I am the way, the truth and the light, we are always connected when you are conformed to My Will. I used this bridge as an example, for without faith we cannot be connected. I want My children to believe in Me, by following Me so I can unite you to Me. The bridge is the Catholic Faith – the Sacraments – the Eucharist – everything I give is for you to be united to Me.

My Mother's rosary is like the infrastructure of the bridge, for this keeps you grounded and secure when you stay connected to Me in the faith. My Mother is strong and keeps all Her children safe. This bridge of faith will not crack or break down because My Mother is keeping everything together as one. You must believe She keeps each of you always in Her hands with nothing overlooked, as She is always one step ahead of you and knows your trials before they ever begin. Keep in mind by the grace of God all humanity is taken care according to the disposition of each individual soul. I want all to come to Me, all must build a bridge of faith to become united to Me. Connect yourself to Me children, live the Catholic faith – unite all to My Mother and this bridge will connect you to a life eternal in My Will. I am with you always.

Romans 12: 1-2 Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. ² Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.

Let us begin with an I love you and an Our Father...

Pray children pray.

I ask for your prayers, for the world around you is about to change and it will be a change for the good of mankind. I allow all things according to My Will. Fear not children, for these prayers are for souls,

for the salvation of mankind. ***Do you know what it means to suffer?*** There are many who undergo extreme suffering and need prayers to help them. I want souls to be used for others, so I am asking for prayers. Do not let yourself be docile, uninterested or forgetful of others without compassion, love and acts of mercy. Pray for others and be a light for souls. ***Do not think your acts of prayer will be forgotten, they will be remembered and you will be rewarded in Heaven. I ask this to be a priority for you, for tomorrow is another day but how many souls can you pray for today as you read this message. Seek mercy, be alert, attentive and ask for your prayers to be heard so I can pour out My grace in your acts of prayer. An enormous river of grace flows when prayers are within the Divine Will. I can flood the world with grace in the Divine Will and you My children will be remembered as the children of the renewal – renewing the face of the earth – making all things new for the Glory of God the Father.***

My children be ready for many things will be happening, the world is about to change. Some people will survive and some will not, but prayers can change all things for God's Will to be accomplished. You must be ready – always seeking the truth and believe everything I have taught you in the writings of My little Luisa – the Divine Will is everything for humanity to be united to Me. I will pour out all grace to humanity in the Divine Will. I ask for prayers for the salvation of souls. We need to transform mankind to please God the Father, so all could obtain Heaven. There is much to be done, so let us begin today. I am with you always.

Nahum 1:3 "The Lord is slow to anger and great in power, and the Lord will not by any means clear the guilty. The Lord has His way in the whirlwind and in the storm..."

Let us begin with an I love you and an Our Father...

The Diabolical.

My children, you will be entering into a new era of peace, which will come after a great war. This war will be a spiritual war of great proportion – Good versus Evil. The diabolical will be exposed and man will shutter at its existence when all is revealed. I am speaking of the evil doers of this world who will be exposed for their intent on taking over humanity to destroy the goodness of God's love for humanity. The one called satan – the diabolical one has entered into every facet of daily life, beginning with the church and in all Christian denominations: they have placed their evil within high ranks to accomplish this takeover of the world. Be aware My children for these evil doers are everywhere. The only place that they are not is in the soul with a pure heart who lives a holy life for God, serving the poor – the homeless – the rejected and always serving with charity by loving your neighbor and not love of self. I want you to be aware of the diabolical that is all around you. Do not allow the world to entice you and bring you to a life of materialism or love of self. Believe for I am with you always and I live in the hearts of souls who love Me. Place yourself at My service and all will be given accordingly. The devil – his people – the evil ones who serve him will not stop until their evil agenda is accomplished, but I say to you My children, believe for I come to accomplish My plan and that is love and mercy for all humanity. ***I am coming like a strong wind to wipe out all evil, and this wind will be one that man will not forget. If souls do not allow Me in their lives they will be caught up in this whirlwind and carried away with the evil doers and be brought into extinction, yes, taken away. The***

souls who are service to Me, will be kept grounded within the heart of God – these souls will be saved. Many of My children have chosen self over God and I will show them My face. I want all humanity ready for this. Please children be ready and attend to the heart of your soul. Repent and turn to Me your God. I am with you always.

Isaiah 59:5–6 They hatch vipers' eggs and weave the spider's web; he who eats of their eggs dies, and from that which is crushed a viper breaks out. Their webs will not become garments, nor will they cover themselves with their works; their works are works of iniquity, and the act of violence is in their hands.

Let us begin with an I love you and an Our Father..

The Web of Deceit.

It is I Jesus your King – children we will discuss the web of deceit that has destroyed your culture and its people. The soul who submits to this deceit is caught up in a web of the enemy, like a spider who devours its prey. ***You My children are the prey to the enemy, and this web is spun by a deadly predator, satan. This predator is the spider who spins and builds a trap to catch its prey and this spider is satan. I have warned My people about the false ideologies of the enemy that are placed before you in an attempt to catch and destroy your soul and even harm your body. Do not let this web entangle you, for the enemy carries an evil sting of deceit to obtain its prey into submission, not releasing you. Each strand of this web is a temptation, an impure thought or an evil desire, a place where evil dwells and can drag you in, for all of this is a web of sin. I want you to understand that if you do not have the light of My Will, the gift of Me in your hearts, then this evil is capable of capturing and devouring you in this web of sin. In some cases, satan will use you as a mate to entice and lure more souls into evil through other individuals, which is a massive and complex network of evil.*** The work of satan's empire is enormous; with the amount of people recruited and the souls that are devoured are many. Do not let your worldly pleasures entice and distract you into satan's trap. This infrastructure of evil stretches beyond one's imagination and this will be destroyed in My time – ***Children are you willing to sacrifice yourself for Me to conquer the evil one. You must believe that you are a gift from God, for free will is your choice to choose God over evil and the outcome is yours. Believe and know you have a God who truly loves you.***

I want to speak on the children. ***Where have all the children gone?*** They are missing at the hands of the evil one. I speak on this for you to be aware of the issue that is dismantling the human family, for the family needs to be saved. This next generation is the key to saving the future generation of the family. My little ones who have been taken and used in unspeakable acts of evil are part of satan's plan. The children that have been sacrificed at the hand of evil are with Me and those who have been caught up in satan's web of deceit are at his service not mine. ***DO NOT FORGET THE CHILDREN, pray and offer acts of love for the children.*** This generation I speak of will lead many into the kingdom, for prophecy is being fulfilled as I speak. Your prestige, Mercedes, mansions, fine jewelry, lavish foods, night life, business deals / meetings and stardom are nothing to Me. The innocent children are My delight whom I care for and I will hold all accountable who do not treasure the life of a child over their sinful greed and lifestyles. The unspeakable acts of the evil doers are going to seize and

shock your soul as I reveal all that has been done in secret – every single soul will know the truth, for all are about to see the true evil of satan's works and evil infrastructure. Remember these 3 A's, keep yourself ***alert, aware and always close to Me and My Mother's heart and we will get you through the storm. I am with you always.***
