Mark 5:18-19 As Jesus was getting into the boat, the man who had been demon-possessed begged to go with him. Jesus did not let him, but said, "Go home to your own people and tell them how much the Lord has done for you, and how he has had mercy on you."

My daughter, the boat has crossed the river and you see that on the other side is hope, for this is what I will speak of today. As the Apostles and I crossed safely to the other side, a man full of demons came and laid at My feet and spoke *"What do you want with me, Jesus, Son of the Most High God? In God's name don't torture me!"* and I said to him, *"Come out of this man, you impure spirit!"* (Mark 5:7-8). I spoke to the man commanding the demons and impure spirits to come out of him and the demons were cast out into a heard of pigs. This situation My children is just like your country, many people are of impure spirits and have been feeding off the wealth and livelihood of this country with no consequences to their evil actions. I come to bring hope, just as the demoniac possessed man was given hope. I allowed the suffering, but I delivered him and just like the possessed man America will be delivered too.

There is much that has been done in the dark, much evil that will soon be cast out and soon you will be a witness to the truth. Pray that all people will be able to understand and accept the truth, for some it will be shocking. My peace will be with those who trust during the wake up of America. The demons are all around you, they wait to attack and devour their prey – but in My Will there is hope. This year of hope was preordained in the order of My grace and time and you will receive an outpouring of grace during this year of hope.

My priest sons look to Me for your faith, hope and charity – for I am all of these; have you not figured this out? You must be what I have called you to be, My living church for My people. The face of the Christ in whom all you encounter. Do not forget this My priest sons.

Now My vision of hope for the future starts with each one of you. Do you want to live in My Kingdom? Then begin with an I love you and give to Me your wills. I will give you My little way and I will build you up to be part of My church – the Church of My Will just as I built My family of Nazareth. My little Luisa is part of this living church of My Will, be little and I will build you up to bring forth the kingdom of God on earth as it is in Heaven.

My sons and daughters, thank you for your love and consecration to My Divine Will. Remember, hope can make all things new, especially when done in My Will. Children, I give you My love. I am with you always.

Romans 8:28 "And we know that all things work together for good to those who love God, to those who are called according to his purpose."

Today I will speak on the world and the chaos that exists. I am with you. Be at peace My child, for if you walk with Christ you should be at peace. NO FEARS, always trusting in Me.

Today children, My eyes are upon you, watching you and taking care of you. I am listening to the hearts of all My children. You may not understand but that is why you must trust and have faith. The days of old are no longer, for you are in a time of great crisis which is about to increase in violence and chaos. My Mother is taking care of Her own, those who have given their lives in service of the Immaculate One. She is protecting and guiding Her fold, and I will be there as well.

Now the future of the world. Today you see the dismantling the U.S. government that was destroying your freedom, this was corrupt and now you see the truth. Once a country accepts corruption and deceit as their foundation everything falls apart. The U.S. and many other countries around the world, even the Vatican has been complicit. I say this to you because I speak the truth. Now I have given the world a chance at new beginnings, and a one world government NO MORE. I will bring about the conversion of souls and a humanity that is to Glorifying God, the Creator of all.

I will speak to you My children about what is coming, one must prepare, be vigilant and accept the consequences, by believing that God is in control and that you are to be obedient, and believing I am with you. No other time is as important as this time, because you are witnessing convergence of the Kingdom with earth. All is coming together, and the Father is directing a plan for His Kingdom to come. Luisa has prepared you for this time. Listen to Luisa, learn from Luisa and love as Luisa loved Me, all for the Kingdom to come. She was given this great gift and all will be as I have given her. I want each of you to be part of this great gift – MY WILL BE DONE AS IT IS IN HEAVEN. Choose to live in the Divine Will because now is the time. One continuous act can change and make a difference to humanity and bring all into the fullness of My Divine Will. I love you with infinite love, believe as Luisa believed. I am with you always.

Matthew 24:44 Therefore you also must be ready; for the Son of man is coming at an hour you do not expect.

Today daughter write My Will and let us begin with an I love you to the eternal Father, for as were the days of Noah, so will be the coming of the Son of man (Matthew 24:37).

Now is the time that I have prepared My people for the coming of the antichrist and the coming of My Spirit – the reawakening of humanity and an awakening of the soul, for this will be the greatest move of God's Spirit and all will be guided to experience the truth, and this will set the captives free. This will begin with a testament of faith to the soul, a time when humanity will visit the past and all their acts will be revealed, this will trigger an awakening of the soul. Humanity must realize that God is truly present, and He is the Creator, Redeemer and Sanctifier of all creation. There will be a revealing of

the evils of the world and an end to it. I will be with all My children at that moment in time when all will be revealed.

There is a movement in time and space that is converging together; the magnetic pole and equator will align causing the earth to shift and this will result in a spiritual connection with the intelligence of God the Creator to interact with the human psyche or soul. Be aware that this will trigger mass hysteria for those who do not believe in God, for they will be afraid, but I will lead My flock to understand who I AM and what I ask of My children. God is the Creator, God is the Redeemer, God is the Sanctifier. The Father is sending the Holy Spirit to Sanctify humanity before I return. Please pray for the children who are not able to comprehend. You My children of the Divine Will, will be those who will lead many out of bondage of sin placing yourself at My disposal. Peace reigns in the soul who wishes to succeed for the Glory of God and for the Kingdom to come.

My Church will be buried, just I was placed in the tomb, but My church will rise anew. There will be a time when you will not have a physical church, but I will be alive within you as My church, living and breathing in My Will. ***Today children I give you hope, for tomorrow is another day, will you still serve Me?*** I ask this out of love. Be ready for My Spirit comes to cleanse the earth and I am with you always.

Since the beginning of time there has always been chaos with humanity, but this time period will bring great turmoil and then there will be peace. Your sons and daughters, your children will witness this peace. This will come My children in the form of God's love for humanity – this will be the beginning of mankind's true relationship with God, a Father will have his children back and all will reign in peace.

Your country America was founded on the principles of equality the God given rights for every person, and it was drafted by your forefathers to establish a covenant with God. God the Father is the architect of your constitutional rights. There is no other constitutional covenant in the world, for America has a covenant between God, man and the individual rights of the human being. You are blessed My children of America; your constitution will never be abolished and your covenant never broken, for the Father always chastens those whom he loves. Your sinful deeds

will have repercussions, but I will help those who repent and turn back to God.

My Mother will speak with you today:

God the Father has given you this covenant out of love for you America, for you were brought forth to establish the kingdom of God. You are the Children of the Renewal – you are part of this great awakening for mankind. Your people are the brightest and gifted with many creative ideas helping the world achieve a better place to live. You have brought the Gospel to many parts of the world and now your light of God given rights and peace will continue to shine as a nation. This comes at a price My children, for your return

to God will anger the enemy and an attack will be upon you. You must be ready to fight this battle of freedom for God and country. I am with you children, as is My Son. Remember we are one and we are with you fighting this cause for peace with God the Father. I love all My children, thank you for loving your Mother. I will be carrying each of you in My Immaculate Heart. We will be the warriors of faith in God's Divine Will. TRUST children – My heart will reign in you America and we will bring about the Eucharistic reign of Jesus. It is through My Immaculate Heart that grace will flow for the conversion of souls. Thy kingdom come and the battle will be won on earth as it is in Heaven. Your Mother Queen of Peace †

I am with you always My children, for let us always begin with an I love you to the eternal Father.
