Jesus now wishes to provide the Sons and Daughters of the Lamb with a MONTHLY letter with His messages. He will give a message each Friday, but they will only be posted and mailed out together on the last Friday of the month.

The messages will be posted on the "[I Am With You Always](#)" page and also mailed out to the Sons and Daughters of the Lamb. Anyone who wishes to receive these messages each month, can send a request to DaughtersoftheLamb@hotmail.com.

I AM WITH YOU ALWAYS. . .

O God, who by the light of the Holy Spirit, did instruct the hearts of the faithful, grant that by the same Holy Spirit we may be truly wise and ever enjoy his consolations. Through the same Christ Our Lord. Amen.

Psalm 19:12: By them your servant is instructed; obeying them brings much reward.

Today is the Feast of My Unity...in unity of the Father, the Son and the Holy Spirit, We are one. I am speaking to you with a great grace from Heaven and I wish all to receive this grace into their hearts. This feast is the beginning to an end of an era as mankind knows it. No other feast is as important as this one, because it will be marked in commemoration for all humanity to be united as one with the TRINITY. As you move forward, from this day on you will begin to see mankind in a different light, a change in appearance and a change in the world as you know it.

There will be 3 phases to this change: First is the presentation of your church – a change will take place to purify the church. Second, in your daily lives all will be a different scenario - there will be great struggles in daily living. Finally, the third phase will be the enlightenment of your souls - to bring about the conversion of humanity. I will allow all 3 of these phases to take place, because the time is upon humanity to believe and know that I AM YOUR GOD, and I AM WITH YOU! Do not fear anything, My Spirit will be with you. I will lead you to My Father and My Spirit will purify you. My Mother will be there as well, guiding you along the way of your purification . . . BE AT PEACE.

This day I come to celebrate My Feast of Unity with all of humanity, it is the beginning for the world to be united to the Trinity. My Sons and Daughters of the Lamb, I give you this grace today to walk in My Will. I am with you always...Jesus Your Crucified King †

SIGNIFICANCE OF THE CROSS AND FLAMES IMAGE

THE CROSS

The cross that surmounts the overall depiction of the heart signifies the throne we made for our Heavenly King. But Christ changed this throne of pain into a sign of His love.

THE FLAMES

The flames signify the fire of Divine love. It's not a fire that destroys, but is a fire that purifies. Every step we take in the spiritual life will become more purified and result in a deeper union with Jesus.
