1 John 5:14-15 And we have this confidence in him, that if we ask anything according to his will, he hears us. And if we know that he hears us in regard to whatever we ask, we know that what we have asked him for is ours.

I am here for you children, it is I Jesus. We are One and together we will accomplish all things. My Mother has brought Me to the temple in an offering to the Father on this feast day of My Presentation. ***This, children again is My gift to you, a presentation of your Jesus to God the Creator and to His people. You have been given grace today for your acts in the Will of God. I am presenting to you My Will that was given in an act of pure love to My Father in sacrifice and holiness from the love of a Mother. She went in obedience and in love to bring Her Son to the Temple and I was given to My Father.*** This presentation also represents a soul giving themselves to Me in an act of obedience by giving Me their wills in exchange for My Will. If you let My Mother help you she will bring you as an offering to the Father as she did with Me. This will be an exchange of your will for Mine. You see children one must be presented to My Will to gain the many graces I want to give you to be one with Me and by giving Me your will this allows the kingdom to act within you in union with Me. Find peace and be open to all I want to give you, becoming alive in My Will.

My Father's love is unconditional, it is pure love that no one can be without, and it allows the soul a purity of heart and a charity for all to receive. Make time to present yourself to the Father for His ways are the purest of ways. I love you, be brave, set yourself within My heart and I will lead you to My Father who will purify you with His never-ending love. The Father loves you and wants you to be one with His love by an act of offering your will to Him. I will be the mediator of love between you and the Father, so present yourself to Him today.

Matthew 25:6 "At midnight, there was a cry, 'Behold, the bridegroom! Come out to meet him!'

I am here for you children, be ready as I have warned you before, much change is on the horizon. No fear, just Trust Me. I say to you today that My love for you is great, but the time comes when one must be vigilant and prepared to meet the Lord. This I say with love, not fear, for those who truly love Me have no fear, for it is the ones who live in darkness fear Me. ***Prepare, for the great awakening of the soul comes. Be ready to serve when this awakening comes, for I will call each one of you to serve. The Holy Spirit will come upon you and bring you to your knees in repentance, but those who allow My love to flow will be used in a great way to evangelize the earth.*** You, My children of My Will, will bring about a newness of life with My Divine Will and each one of you will bring about the building of the kingdom on earth. One by one together We will manifest My Kingdom come on earth as it is in Heaven.

Be watchful, for the time in now, repent, turn to the Lord and be ready to serve in My Will.

Today, children, I will teach you.

Do you know what the window of the soul is? It is I Jesus who

allows all things to come and go in a child of God, you are My creation that I have created in My image. Each human creation contains a soul, and this soul has a window – an opening – an interior and exterior entrance point that flows with My grace and My presence that you contain.

The soul always is aware of its surroundings by its senses and knows My presence and inhabitation of the soul as their God, allowing Me to dwell and live within you, just as the act of Baptism initiates your YES to Me as Your God. The Mother of every soul is My Mother, She was created to be the Mother of all creation, for She is your Mother as well – helping you in each step of the way in your daily lives. I see all things through the window of the soul and My heart beats to unify you in everything we do together in the acts of the Divine Will. Be brave, be ready, and act accordingly in My Will.

The moment a soul passes from the human person the soul enters into another dimension and begins an ascent to their Creator. There the soul will be judged and given their sentence, some may be taken to their damnation and others will be given a place of purification to await their final ascension into Heaven to dwell with Me their God for all eternity. But the soul who wishes to serve darkness will serve in darkness for all eternity. This My children saddens Me because I love all My creation, but I must give those who refuse Me what they wish to serve. Believe and know that I come for you in My Will. Prepare with your acts each day in the Divine Will and continue serving Me with your YES by placing all your acts in My Will for Me and for all humanity, for We will accomplish all this together.

My Mother waits for each one of you to give Her your complete abandonment in My Will, She wants all of you to give Her your everything so She will mold you into her little Jesus. As you hand over your will to Her you hand it over to Me. We are one and all will be accomplished in the Divine Will. No fear, just trust. Read Luisa’s writings, study them and call down the Divine Will and act in one continuous act of love for Me and for humanity. I love you children, be ready for I come to do the Father’s Will.

I am with you always...Jesus Your Crucified King †

Please take the time to watch/listen to the video below. This has a wonderful explanation of Jesus’ teaching on “the window to the soul” and the “five senses.”

1 Corinthians 13:13 So faith, hope, and love remain, these three; but the greatest of these is love.

This day children My heart has been opened for you, believe and know that My grace is sufficient for each of you. My heart radiates with love for you and for all humanity. If you wish to accept My love and place it within your heart, then all will be accomplished for you to act according to My Will. ***This is My Will that you love one***

another as I have loved you. Be the light of My love and listen contently to your heart where I will dwell. The end of days is upon you, but the end brings anew, a newness of life in My Will. I will bring an end to this evil and corrupt generation and bring about a new creation of life in My Divine Will. This begins in you, as you accept My Love and act in My Will then I will renew each one of you and rebuild the kingdom on earth.

Your acts in the Divine Will transform you as well as those whom you have fused into your acts. I will be with each one of you in your transformation of love. Prayer, fasting and alms are what My church asks of you, but I say love is the one act that covers all three. This act of love in My Will brings about the conversion of many souls and love will complete the building of the kingdom. ***Can you Love for Me as I have loved for you? If your answer is YES then you are truly the children of My Will. Be brave, kind, humble and strong, all within an act of love. Children, this is your key that unlocks the door to the kingdom. Charity is the key, because charity is love, with no restrictions.*** You will master this by accepting My love and becoming one with My acts in you and for others. Go in peace and always love.

I am with you always...Jesus your Crucified King. †
