Romans 8:18-19 "I consider that our present sufferings are not worth comparing with the glory that will be revealed in us. For the creation waits in eager expectation for the children of God to be revealed."

Daughter, let us begin with an I love you and an Our Father....

The coming kingdom.

The coming of the Kingdom is upon you; it is at your doorstep – the threshold is before you to enter. My Kingdom comes for all those who desire to receive and embrace My Kingdom. Thousands of years, generation after generation, have been waiting and now it comes, and it comes through My Luisa. I will prepare each soul with the proper disposition to receive and act within it. My children of the Divine Will your YES is what gives Me permission to dispose you of My gift to live in the Divine Will. It is important that you understand this because without your YES I cannot give you My Will.

Matthew 7:24 "Everyone who listens to these words of mine and acts on them will be like a wise man who built his house on rock."

Now the acts in the Divine Will and the building of the Kingdom; from the beginning when I gave Luisa this gift she laid the foundation. Upon this foundation are your individual acts for the acts are like bricks building a house of My Will. (*Jesus shows me a vision of a brick house built on a strong impenetrable foundation and brick by brick are the walls built.*) This foundation – the Divine Will writings given to Luisa forms the rock-like foundation grounding you firmly in My Will, for nothing can destroy it. You My children will be like the house-built brick by brick by your acts on a strong foundation with My teachings through Luisa as a stronghold and refuge keeping you safe within My Will. I will use all who desire to continue walking in Divine Will to bring about My Kingdom. I have waited thousands of human years for this and now is the time – the door has been open, the threshold is there, step over and enter in because the Kingdom awaits you.

The Vatican, My church will experience a massive earthquake – destroying lives and property. When this occurs know that My Kingdom comes – it will reveal much that the Vatican has concealed from My people. You must pray for your Pope and his cabinet the Roman Curia so they may continue their efforts of rebuilding and renewing the Church on the foundation of the true Church. The foundation of My Divine Will – the Catholic faith – will never be destroyed. Over the years there has been corruption of greed and sin which have entered into the Church causing the Church structure to crack and the walls have become unstable, but the foundation is strong built on Rock Peter. It will not be destroyed only repaired or rebuilt by My Pope and his Curia, for these men will stand strong during the earthquake and collapse, rebuilding My Church for the coming of the Kingdom. Fear not My children all must happen in order for the Kingdom to come forth. TRUST ME YOUR GOD. Your faith will allow you to be strong and your acts in the Divine Will will bring humanity into the renewal of the Catholic Church. I am with you always.

Revelations 21:3 And I heard a loud voice from the throne saying, "Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God.

I will be with you until the end of time, My daughter. I am with you let us begin an I love you and an Our Father.

In the beginning the Lord God created the heavens and the earth.

These are times children when man has fallen away from God, this is a fall from grace. You were created to be united to God, to glorify Him with all your acts and to be given and offered as a sacrifice out of love. ***How can you offer yourself in sacrifice to God?*** By an act of abandonment infused with love. The acts of prayer, self-denial, righteous acts, continual love for others and a total abandonment of your will to God, for the Father will not be outdone in His generosity and nothing can outdo God's love – God will always be bountiful in giving to His children who abandon their wills to Him.

In the beginning when God created man, he was given free-will and this free-will was to love the Father freely, always putting their will in an act of love and being obedient to God by putting God first in everything. When man sinned, he fell from God – losing the grace and turning to self – not being able to keep his will freely for God. My son Adam was the first human creature and in his sinful act original sin came forth for humanity, but by your acts in the Divine Will you can repeat or redo all these acts of the past by letting your will be Mine and allowing you and Me to do all these acts together rebuilding the Kingdom of love. I will pour out a healing balm of love on all humanity from the first human creature to the last when you surrender and abandon your will to Mine and we will become One. ***Do you think that I don't know your will?*** I do and I know when a soul is giving Me their YES, for it is a journey in time and their destination will be My kingdom come one step, one moment and one act at a time to enter the Kingdom of My love – the Kingdom of the Divine Will. Your family, the Sons and Daughters of the Lamb, have been faithful in their direction of abandonment to My Will and many others as well. We will accomplish all things for the Glory of the Father; the Creator and He will bring all into His Kingdom of Love. Please children, love the Father as He patiently brings the Kingdom on earth, waiting for His children to abandon their wills to Him.

I am sending My Spirit a second time, and this will be the third fiat a second Pentecost and following this comes the renewal of earth as a repeat of My resurrection in the Kingdom. This Fiat is by My little Luisa who will open wide the doors of My church, and its renewal will burst forth with a river of peace. No other time is as important as this one for it will

***bring forth the fruit of My Will – the glories of the earth will reach the heavens and My Will will reign. Now is the time for a New Springtime of My Will. I am with you always.

Lamentations 3:22-23 The steadfast love of the Lord never ceases, His mercies never come to an end; they are new every morning; great is thy faithfulness.

Let us begin with an I love you and an Our Father...

My Infinite Mercy.

Children of the Divine Will it is I Jesus Your King of Mercy, I am with you, be at peace. Begin each day with an I love you and an Our Father to glorify God. You My children have helped tremendously to bring forth My Kingdom act by act and one day you will see the greatness of all your acts in the Divine Will.

Now let us pause and contemplate My infinite mercy (*a few minutes passed and in a vision, Jesus revealed himself with rays of light coming from His wounds that reached out touching many souls – there were an innumerable number of souls, all were touched by His merciful rays of light*).

My children there is a great need of mercy because humanity is broken, and I can heal it. ***Can you receive mercy from man?*** Only when man desires to give mercy. ***Can you receive infinite mercy from God?*** Yes, when the Father offered His only begotten Son you received this great gift of mercy. My Divine Mercy is within My Divine Will which is the cornerstone that will bring together man and the renewal of the Church. The Divine Will manifests itself within My Divine Mercy. I was given to you to save you from your sins to refresh your soul and make it new again. St Faustina was given this gift of My Divine Mercy to give humanity and My little servant Luisa was given My

Divine Will to usher in the third fiat through My mercy for humanity. We will bring about the sanctification of souls by My Divine Mercy in the acts of My Will. Divine Mercy was accomplished and opened the door to this era of Divine Will for the sanctification for all humanity.

My children, do you remember what act is the ultimate? It is an act of Mercy. When a soul shows mercy to another, mercy is given and the importance of this is to be made known. ***Are you acting in the Divine Will with mercy for others or for self?*** Divine Mercy is the key that unlocks the Divine Will, remember this. First, mercy then My Will is manifested in the acts of Divine Will. The King of Mercy is given to all in these acts of the Divine Will. My children be merciful and you will obtain mercy in My Will in the fullness of My Mercy. Those who are ignored or estranged by others, bring them to My fold and I will grant them mercy. Your pure acts of love in the Divine Will bring forth a great abundance of mercy for all, for there is nothing else that can give what I have to give and that is My Infinite Mercy. I am with you always.

Friday, August 22, 2025 – Queenship of Mary

Psalm 62:8: Trust in him at all times, O people; pour out your heart to him; for God is our refuge.

Today is the beginning of a new day where My Will reigns in you. Be not afraid to hear My voice. Let us begin with an I love you and an Our Father.

Children today honor My Mother in Her Queenship. I am with you, believe. ***I say to you what is it that the world can give you? Is it a place to dwell? Is it security? Is it wealth or a place to call home?*** I say it is only a temporary dwelling. Yes, children it is temporary, and the end result for each of you will be heaven or hell. ***Which do you choose?***

I desire to speak about the word ***"refuge"*** and ***what does this mean to you?*** There are many who speak of this word out of context. They use it and misunderstand its true meaning. I want to speak about refuges. The meaning I give is a place of security or confidence in something. This can be physical but actually it refers to a spiritual security or trust in God. My children the term I am referring to is a place where God dwells by your trust and safety within the heart. If I am within your heart then there I dwell, and your trust is in Me so you are secure and safe. ***Do you understand?*** I want this to be made known to you so wherever you go, I am with you always. In time of joy, in time of sorrow and in time of distress I am with you. If you are living your life for Me in the Divine Will I am dwelling in the security of your heart.

A time is coming when the world will be turned upside down, tragedy and fear will be a normalcy for many. Do not fear, I will be with you. Your refuge is within where I will dwell so wherever you go, I will go with you. Please believe and fear not. These refuges of the end times are spoken about by many, and I want to assure you that I will take care of My children. You will be a living example of My Will, no fear or stress just believe and know I am within each of you, for together we will accomplish all things. The master of one's house is the one who has control over its dwelling. Are you not the master who has control over your being, so Believe and Trust.

As the days grow darker, I will continue to direct each of you on your path of My Will. No one knows the day or the hour of any events, only the Father knows who instructs the Son, for We are One. My Spirit is within you, and We then act as One. Do not doubt the greatness of My Will, for this allows you to do all things for the betterment of humanity. Safety, security and love of God will remain in you when you BELIEVE AND TRUST ME. Your Catholic Faith will always be a part of your abandonment to Me, never forget or leave your Faith. The Catholic Faith will sustain you and I will reign in you as you continue your acts in the Divine Will. I am with you always.

Luke 1:74-75 Rescued from the hand of enemies, without fear we might worship him in holiness and righteousness before him all our day.

Daughter let us begin with an I love you and an Our Father..

The Flag and Insurrection.

Today children I will speak to you about My America this is a place of My Will. The Flag has been a symbol of your freedom for many years; it was a symbol to your founding fathers and a symbol to those who honor and respect your constitutional laws in this country, living the American way. This is also a twisted symbol in the eyes of the enemy who wish to deceive many and give your freedom away to communism. ***Do you understand what I am telling you?*** The ones who wish to harm and bring destruction to your country and people are the deceivers who desire to suppress and indoctrinate your values with false beliefs and corrupt your laws, all for their ideologic views. This is communism, and satan wanting to rule your nation with his evil minions.

Do not let others take away your freedom, be vigilant, be courageous and be a Christian nation. Get on your knees and pray for My intervention (For this reason I kneel before the Father, Ephesians 3:14) and I will guide you and your leaders on a path of righteousness and dignity before God, for your country is on the brink of collapse. I will save this country and yes it will take each of you to acknowledge I am God the one who can do all things.

The Insurrection Act 1807 is a document implemented into federal law that allows the president of the United States to deploy its military to suppress those individuals who are causing unrest, public disorder in an attempt to overturn your country's constitutional government. The Insurrection has been signed and is now implemented – YES you will begin to see this in full force. The major populated cities will be in lockdown and evil will be suppressed. This is not a form of dictatorship, it's a form of implementation to allow you to be safe from the enemy and restore your freedom.

My children you have been blinded by your wealth and lack of physical and spiritual poverty, this has resulted by your lack of total dependence on God and seeking man for your needs. You America have always been on the receiving end of your needs and have never been without, many of you have never known true poverty. I will show you what it's like to be without, for many of the luxuries and daily necessities you have will be taken away. DO NOT TAKE YOUR DAILY NEEDS FOR GRANTED – running water, heating and cooling, grocery stores, your clothing, medical needs, travel, and so much more. You America have always been blessed, you had it all, but now things are about to change. Be ready, as I told you before that no man is without when he has God – Jesus Christ. I will provide for your needs and justice will prevail and all will be restored in time. You must go through a purging of your materialistic way of life and turn to Me in gratitude for the many blessings I have bestowed on this country. I am with you always.
