Today child the feast of My unity has been given, this feast will become one that I wish for you to celebrate – it is a feast in My Will. Now begin writing for the group.

Jeremiah 16:17 For my eyes are upon all their ways; they are not hidden from me, nor does their guilt escape my sight.

Pray to Me My children and I will reveal much to you. You are My faithful ones who have come and presented yourselves in My Will. I am here for you, be not afraid, ***I am with you always.*** Can a man pretend not to know his Creator, or a child not know his Father? Always the human heart seeks to be united to the one who has created and fathered them. Be not weary, for your trials are not in vain, they will be used to glorify God Your Father. All your pain and suffering are not in want but accepting My Will brings you united to the Father. The unity of mankind with the Trinity is the way to salvation and the way to My Divine Will.

Prepare yourselves today and unite your sufferings with Mine on the cross, and we will be united as one. The suffering in My passion and death no man could endure, but with My Will united to yours we can accomplish all things for the glory of the Father. ***The Father pines* for His children to come back to Him, for they are far from Him, but He continues to wait. For the final hour in My passion was to unite all of humanity into My crucifixion for the redemption of the world. This redemption was a price I paid for humanity and the living are now waiting for My return to help them overcome the evil of the world.*** UNITE YOURSELVES TO ME AND I WILL ACCEPT YOU BUT SOON THE DOOR OF MY MERCY WILL BE CLOSING AND THEN JUSTICE COMES. ENTER INTO MY HEART AND ACCEPT MY MERCY FOR THE HOUR IS NOW...PRAY AND PREPARE TO BE USED AS AN INSTRUMENT OF MY MERCY FOR THOSE WHO ARE IN NEED.

I am with you always...Jesus Your Crucified King †

*Pines; to yearn intensely and persistently especially for something unattainable. (Webster Dictionary)

Genesis 6:9 These are the descendants of Noah. Noah was a righteous man and blameless in his generation; Noah walked with God.

The sun, the moon, and the stars I control, all the constellations in the universe are in My hands. I AM the one who came to earth to save humanity, I AM the living image of GOD. Your family, the Sons and Daughters of the Lamb are those whom I have called forth to become My living church. The church that will be renewed and made whole again in Me. I know you do not understand at this time, but I will make all things new through this Apostolate of Mercy. It will be one with My Will. I have placed this apostolate within My Divine Will to be united as I am with God's creation and all humanity. As you give Me your wills, I will be one with you and one with this apostolate. I formed you in this Trinitarian love to bring Glory to God. When man was created all of the earth was glorifying God in its creation and unified as one. You My children in the Divine Will are unifying all of creation in your acts. This will bring about the Kingdom of Heaven on Earth. No priestly attire is needed only souls open to receive My Will, abandoning themselves to Me will bring about the transformation of becoming Christ-like. **You can control all things in My name, just as I control creation. All things will be made new through your acts**

done in My Will. I will use all who wish to serve, submit and abandon themselves to me. This means My children must submit to the Will of God and become pliable like clay, so I can form all of you into a living image of Myself, Christ-like. My tears become your tears, My pains become your pains, My prayers become your prayers, My joys and sorrows become your joys and sorrows – WE WILL BECOME ONE.

Acts done in the Divine Will solidify everything and make them new again. You My children please continue your acts in My Will and become the little newborns I want you to be. Luisa was My first newborn in My Divine Will, now follow Me as Luisa has and you will be formed into newborns of My Will.

I am always with you...Jesus your Crucified King †

Joshua 1:9 I command you: be strong and steadfast! Do not fear nor be dismayed, for the LORD, your God, is with you wherever you go.

Come My children, come and enter into the heart of Christ, it is in My heart where the Divine Will dwells, I am with you always. Be at peace children and look to Me your God for the answers you seek and believe.

The day has come My children for the Divine Will to reign in the hearts of man. I am giving My Will to reign in your hearts. Believe. You will carry My Will in your heart to all hearts. ***This precious gift is one that was given to Luisa (Piccarreta), the Little Daughter of My Divine Will. Please believe that her gift will be given to you by your acts done in My Will. Submission to My Will is the answer to your YES in accepting My Will.*** I am the one true God who has brought forth My Will for all humanity to accept and believe. Now My children prepare...this day I will be leading you in My Will, preparing the way for My Truth to reign in you, the past, the present and the future are all being made new again through your acts done in My Will making all things anew. Believe. Summertime brings great stress upon your nation, but your country will be lifted up by your acts done in My Will, for this will bring about transformation to your people, your land and your government, with a land once more free.

I want to tell you the secrets of My heart so My Will can reign in you. You have been given this gift through little Luisa in her writings of the Divine Will, she is the first daughter of My Will. I will prepare each one of you to be a light of My Will for all humanity. My heart bleeds for humanity, and its impoverished state of moral decline. The people act as if man is without God, but I am here present waiting for My children to recognize Me as their God and I am here to embrace each one. They come to see Me only as a person of the past but not as their God. My Father has held back His hand for many generations now but soon this will not be. He will come in His fury once My door of mercy is closed. ***You must be a purified soul to enter the kingdom of God and it is through your acts done in My Divine Will that will purify and aid all humanity a rightful place in Heaven. My kingdom is not of this world, but your earthly kingdom is one that can call down Heaven to earth by all your acts in the Divine Will. Be patient, be loving, be kind and merciful always filled with love for your neighbor in your acts, so they see the living Christ within you. I am here for all My children even the greatest of sinners, no man can enter without My mercy into the Kingdom of God. The people of this earth will be transformed in an instant if they just succumb to My Will and I will give them their reward in Heaven.***

Do you not see My children that the devil is real? He presents himself through your media, through your schools, through your government and even through your church. My children be aware of all that you open yourself up to, always listen with your heart for there is where I dwell. No man can be open to the things of the world and not be tempted, for My ways are not the world's ways. Be on guard. ***My Passion is the surest way for you to be united to Me through My sufferings and meditating in the Divine Will – the Hours of My Passion – Luisa's writings will continue to mitigate much of the world's suffering and evils, it will bring about the conversion of***

souls. You must pray, fast and be attentive to My Will in your acts. This will be a profound way for humanity to enter into My Will. Remember I have given mankind their own wills but when united to My Will all things can be accomplished. I am the Way, the Truth and the Light.

I am with you always...Jesus your Crucified King †

Jeremiah 10:12 The one who made the earth by his power, established the world by his wisdom, and by his skill stretched out the heavens.

In the months ahead children much change will take place in your country and around the world. Many places you see now will soon look different. Your houses of worship will be given an ultimatum by your governmental institutions to change your ways of worship and beliefs, but do not be dismayed for I am with you always and will not leave your side. Consider yourself blessed to be fully living your Catholic faith in this period of time. Your Mother Mary has warned you of these times in prophecy through many of Her devoted children that all would come to pass if mankind would not change their ways. But many have come to Me seeking My help and turning away from sin with repentance. This has mitigated much of the suffering and chastisements. Those devoted to Me will be given protection during these times and help will arrive to suffice in your time of need. I am telling you these things to prepare you, Asian troops are at your border and an influx of migrants are entering your country. This is being perpetrated by your government officials to try and destroy your country from within. Have no fear, with My help children you will be taken care of and I will give you the grace to overcome all difficulties in preparing for this invasion. Your government has been planning this for many years now implementing their evil agenda to takeover and control your nation.

BE NOT AFRAID, I WILL INTERVENE WITH MY PLAN – President Trump will help implement and carry out My plan for he is prepared to battle this evil agenda at hand. He will be victorious, for he has Me his God leading him to victory. Your country was founded by righteous individuals who consecrated your country to God. They have given you Independence in My name. I am here to tell you that you will be free once more and the world will be free as well.

Today children give Me your will to walk with Me and I will give you your heart's desire, a desire to serve Me, to love Me and walk in My Will for all eternity. Come Divine Will come, into the hearts of all humanity for My Will be done.

I am with you always...Jesus your Crucified King †
