June, 2024 Messages from Jesus

1st Friday, June 7, 2024 – The Feast of the Sacred Heart

Today children listen to your heart for it is fully content serving My Will, we are one.

I am here children, My love pours out for you from the cross, the cross is My love that I embraced for all of you. Each of you will also embrace your cross for Me, this is My Will for you. Through this suffering you will become one with Me. I wait for each of you to say **yes** in embracing your cross. ***Do you wish to embrace the cross for Me?*** Then come children and follow Me in My Will and you will have the cross to embrace, this is My Will for you!

I am here today speaking to you through one who wishes to say yes and listen to My words to relay to you. She is open to My Will and I ask you also to be open as well, so I may speak to each of you. ***There are many who do not understand the "Call" and do not respond, but today children I am calling you; please say yes to My call. I am preparing you for battle and We will be victorious as you accomplish all things through Me.***

Now I wish to speak to the group of those who attended the June retreat. My children how pleased I am that you have given me your **yes**, for you have accomplished all this through Me. I am here for you, and you are My Children of the Cross. My Will is for you to bear this cross with love all for the sanctification of the world. I will be coming to you My children in your **yes** and you will be living in My Divine Will. This morning, I come to bring you grace in your journey with the cross, all for the kingdom – preparing a place for each of you. ***This My children is My Will that you bear the cross and I will prepare a place for you in the kingdom where the Father of all eternity waits for you. His heart is beating with love for you, listen contently and you will hear His call – beating with love. As you pray children place all humanity into the heart of the Father, there humanity will reach the pinnacle of His love.***

Now prayer, remember children as you pray, I want you to fuse everything always within your prayers just as Luisa has taught you in her writings. I am waiting for each human soul to enter into this fusion of love. I have given you My love through Luisa and We give you Our love in this fusion. My Mother is within you as well, for She was given to each of you at the time of your conception in your mother's womb and She continues to be with you this day. All Her children are taken care of, but those consecrated to My Mother are Her special children who are nurtured with a special grace of My Will. This comes when a soul gives Her complete reign, a soul who wants My Mother to lead them. You My children who have consecrated your life to My Mother are Her special children of My Will. My Mother is here and will now speak to Her children.

My children I bring great joy to you this day and I ask you to continue your acts of love with continued prayers for souls, for so many have been saved because of your prayerful efforts and diligent devotion to Jesus and your Mother. Now My little ones as you pray I give you a little kiss and I love you, this comes from your Mother. I will carry you to the throne of God like a little newborn in My arms when I come to call you home. There I will accompany you and you will be with your Mother. I will assist you in your presence before God standing at your side as your advocate to be united with you. No fear, all is in God's hands. Prepare children to speak to others

about God's grace, you are to witness His truth for the Will of God is within you. I go now My little ones; remember Jesus and I are with you always.

Isaiah 60:1-2 Arise! Shine, for your light has come, the glory of the LORD has dawned upon you. Though darkness covers the earth and thick clouds, the peoples, upon you the LORD will dawn, and over you his glory will be seen.

Today daughter My Will is with you, be prepared for I say this to warn My children, a time of darkness is coming, and My children will be the light of My Will.

My children, I ask all of you to prepare. Prayers are needed for you to be preparing for battle. I am sending you My Spirit to encourage you and give you many graces and gifts to influence you, by allowing My Spirit to enter in as you submit to My Will. This My children is a gift to all of you, an outpouring of My Spirit is coming to this age to prepare and ready you for this spiritual battle – GOOD VERSES EVIL – your weapon will be your prayers and your shield is My Will, this is your armor. You will be victorious as you battle the dragon and his minions. They will fall by the power of My Spirit and you will triumph in My Will. ***Your Mother Mary will lead you into battle, she will be your General and I will be your God. All will converge into one single act of My Will to destroy this evil. We are One Army of My Will, prepare my little flock with prayers, fasting and acts in My Will. Take time for adoration as you come to Me for consolation and instruction in your mission, for this is the hour to prepare.***

My priest sons will be asked to shut the doors of their churches, but those priests who have been raised by My Mother will allow My children to receive the Sacraments. ***I am sending you these priests and they will assist you when there is no food to be fed spiritually. They will bring My Holy Eucharist to you and assist you in receiving the sacraments of My church.*** This is a gift of My Will for you. Please children heed My warning and prepare, seek Me in the Blessed Sacrament for nourishment and counsel. I am waiting for each of you. I love you My Children, ***remember I am with you always!***

On the Feast of the Sacred Heart of Jesus (6/7/24), after receiving Holy Communion I heard these words from Jesus: ***My daughter, when the church goes into hiding you will receive the sacraments. A great darkness is going to cover the earth and your community will be a light in this hour of darkness.***

My Will be done. Jesus †

Jesus is telling us to prepare, so we need to be obedient and offer more prayers, fasting and living our lives for the faith, all for the salvation of the humanity. Please get to Confession, stay in a state of grace and continue all your acts in the Divine Will, for we do not know the day nor the hour when this will take place, but remember Jesus will always be with us.

Now child My words come today with great sorrow for the world. Believe these words and write. I am telling you this not to scare you but to warn and prepare you.

Children of this world it is I Jesus, I come to bring you peace. My peace is your only reprieve in the world that you are living in. There are many who do not believe that I exist, please pray for them that they will be open to receive Me. **Very soon My children your hearts will be exposed to see the truth. This truth will allow you to understand that the world is not of Me and that the church has falsified many things in order to control My people.** You have been lied to and deceived regarding certain teachings that have suppressed your spiritual growth. Remember that My love is outpouring, and My Mercy is endless. There are leaders in your church that have placed you under their feet to keep you suppressed, like the Pharisees of old. The church has changed and now they are preparing to close their doors because they feel you need to be stopped from believing the Truth. The teaching of My church will never change for it is the teachers of the church who have changed doctrine.

Please children do not leave My church, pray and discern the faith. If you know the faith you will be anchored, and nothing can move you away. Do you understand? This is My proclamation to you, be the children of My Light and live by My word that I have given you through the True Catholic Faith. No boundaries, go out to the world, embrace your brothers, and sisters, neighbors and people around you, bringing them the faith. Be a testament to this truth, for I give you My blessing today, know that you are the Church, proclaim it. Do not let anyone stop you from living and evangelizing your Catholic faith.

My Mother has given you this Holy Family Rosary of Desire for the restoration of the family, the renewal of the Catholic faith and the sanctification of the world all within My Divine Will. Please continue to pray this daily, praying it from the heart and offering it for the salvation of souls.

I love you and I am with you always. Jesus Your Crucified King †

1 Corinthians 13:7 Love bears all things, believes all things, hopes all things, endures all things. Love never ends.

Daughter of My heart it is I Jesus. I wish to speak with words of love and contentment, be not afraid. I come to bring you joy in a time of sorrow.

My children, I pray for you to the Father as He waits patiently for His children to return. You have been given a great gift, My Divine Will. This gift can alter time and place, allowing grace to be given to you and others before God. It can allow time and space to exist in a single act with love. A human soul may assist other souls as in an altered universe – similar to time travel or quantum physics, for this can only be accomplished by God's Will. **I say this with love, because these acts are given only by sacrifice, meaning those who take time to pray in the Divine Will are using their acts with sacrificial love. Their self-sacrifice for another person's well-being is purely out of love, by these acts you are becoming one with Me.** I chose this group because I see the love in your hearts that you have for humanity, I see the compassion and your diligent prayers to Heaven. These great acts are sacrifices of love. **Thank you, My children, and remember what you do for others out of love you do for**

Me! Believe that these acts will be given to others in their time of need. You will be rewarded greatly in Heaven for these acts in My Divine Will.

I call you together for continued prayers for your country and please begin each day thanking God the Father for His love and provision He has given you as Americans. This country is the greatest nation on earth and is going to be saved from complete destruction. ***I have given you many graces and I say to you more grace will be given through the Divine Will. Each home where a soul in the Divine Will resides will be spared from destruction, and I will see to it that their family members as well will be taken care of even if they do not live in the same home. This is a very special grace I give to My children in the Divine Will. Suffering, yes, all souls will suffer to some degree for this is part of becoming united with Christ. You will become one as I am one with the Father and as I was His sacrifice for all humanity.***

There will be calamity and distress in the streets during your election season. This comes as the evil one cannot be given another term in your country, so evil will sow chaos to distract you and this will allow their agenda to continue. It will not be much longer until your president Donald Trump will regain his office, then My children I will be directing him further and he will continue to direct your Republic, ***“One Nation Under God.”*** Be assured this is not in vain, for I come to bring peace. I love you My little ones, be ready, for the world will soon be in disorder and remember I am with you always.
